Preface

Vision of our Institution

Holistic development of the students into a responsible, morally upright citizen capable of thinking, learning and striving for National Development.

It gives me a great pleasure to place the annual report 2017-18 before the Hon'ble Management of Vidya Bharati Shaikshnik Mandal, Amravati regarding the ever-growing success of students in curricular, co-curricular, extra-curricular, cultural and even in the social outreach activities which could be a definite step towards the goals set by us. I feel all these achievements are the result of work as a team, the dedication and commitment of the faculty.

I feel proud to mention some of the remarkable achievements of the college in various fields. In this academic session 2017-18, the college has achieved every possible success in all aspects of academics. As far as research is concerned we have 20 research supervisors who are actively involved in research. As a result of this on an average we could produce 93 successful Ph.D scholars in the last 05 years. This year too 12 research scholars and 03 faculty members have been awarded with Ph.D degree. In this academic year our 02 faculty members and 03PG and 02 UG students have cleared NET/SET/JAM examination.

In the opening of the academic year near about 3000 students have been enrolled for various UG and PG programmes. 44 students have been selected for Students' Council. It is a matter of pride and pleasure that the college has always remained at the height as far as our University results are concerned. This year too the result of University examination of Summer-2017 for undergraduate level is 65.13% and post graduate level is 70.50% whereas the results of University examination of Winter-2017 for undergraduate level is 60.83% and post graduate level is 58.13%. In order to enhance quality in education, healthy competition is must. Hence the faculty members of the college have voluntarily sponsored cash prizes for the best performers in the University examinations in different subjects. These cash prizes are distributed with merit certificates on the occasion of the special day called 'Sanmaan.'

Our students have always been the torchbearers of excellence, this year too 20 students from various streams obtained Ranks in University Merit List in University Examination Summer-2017, among 20 students Ku. Tejal Punse, a student of B.Com. grabbed 04 Gold Medals as a reward of her hardwork. Besides their academic achievements, we ensure all-round development

of our students through the participation in co-curricular and extra-curricular activities including Debates, Quiz, Elocutions, Games and Sports, NCC and NSS to enhance students' creativity and inculcate leadership quality in them. Our 25 students brought laurels in different competitions testing their soft skills. 01 student took part in Avishkar-2017, bagged 1st Prize and got short-listed for Inter-University Research Convention Avishkar-2017, 08 students brought Colour Coats in Youth Festival-2017 and 03 of them (National Level Participants) selected for International Level in Folk Orchestra, secured 02 Gold Medals in Inter-University Central Zone Youth Festival, 03 of our National players grabbed Gold as well Silver Medals in various sports events, 36 players have brought University Colour Coats in different competitions of Games and Sports. I am extremely happy to record that this year 140 students are successfully recruited in various Multinational Companies like Cognizant, Wipro, TCS, L & T etc. through the placement drive conducted by 'Training and Placement Cell' of the college to facilitate the students with job opportunities. In order to fulfill the requirements for our students for various competitive examinations, the college MPSC Cell works hard by organizing various programmes so as to enable our students to enter the administration.

As a part of commitment to the society, the Institutional Social Outreach and Enabling Centre (SOEC) comprises of 'Pratibha Women Study Centre', 'Enviro-Club' and 'Yog Sadhana Kendra' worked together on various issues such as Gender Sensitization, Empowerment of Women, Awareness against Female Foeticide, Awareness against Women Atrocities, programs for Eco Consciousness- Environmental Awareness, Promotion of Green Steps, Energy Conservation, Awareness for Carbon neutrality and spread of awareness on Yogic Exercises for good health and peace of mind, Medical Check-Up camps, Naturopathy Camps etc. have been conducted for the welfare of students and staff.

Over the last decade the College Magazine "Pratibha" has succeeded in creating it's own identity in the University level College Magazine Competition for being adjudged as the Best.
