Report:

Activity Report of Online Workshop on “*Mudrashastra and Aarogya*”

NCC, NSS and Sports Department of Vidya Bharati Mahavidyalaya, Amravati in collaboration with Mahila Patanjali Yog Samiti, Amravati organized a two days workshop on “*Mudrashastra and Aarogya*” from 14/09/2020 to 15/09/2020.

On 14/09/2020, Dr. D. S. Wankhade hosted the workshop and Dr. V. V. Parhate gave the introductory remark. The motto of this event was to make a healthy generation with the help of yogic *mudra* and introduction of resource person Ex. Principal Mrs. Vijaya Ikhari. She explained the theory and the importance of *mudras*. In this session, she gave information about five elements viz. agni (fire), vayu (air), akasha (ether), bhumi (earth) and jala (water). When there is a disturbance in these elements, it can lead to an imbalance of physical and mental body which causes diseases. Practicing *mudras* helps to cure disease.

On 15/09/2020, Dr. Monali Ghurde hosted the workshop. Resource person Mrs. Vijaya Ikhari focused on practical session of *mudras*. Dr. P. S. Yenkar, the Principal of Vidya Bharati Mahavidyalaya delivered the

presidential speech. At the last, Dr. M. M. Rathore gave vote of thanks.

Covid-19 Awareness Program

Corona virus disease (COVID-19) is an infectious disease caused by a newly discovered corona virus. During this pandemic condition of COVID-19 our N.S.S. Volunteers were actively participated in the awareness programme. The N.S.S. Volunteer Mr. Shubham Bilwe from the B.Sc. II who resides in Melghat actively participated in awareness programme in his home town at Harisal Tq. Dharni Dist Amravati. Other students also join with him to spread awareness about Covid-19. Another student were also involved in **making masks**.

The main objective was to aware and takes preventive aspects to protect the people from Corona virus disease. The virus that causes COVID-19 is mainly transmitted through droplets generated when an infected person coughs, sneezes, or exhales. These droplets are too heavy to hang in the air, and quickly fall on floors or surfaces. You can be infected by breathing in the virus if you are within close proximity of someone who has COVID-19, or by touching a contaminated surface and then your eyes, nose or mouth. Most people who fall sick with COVID-19 will experience mild to moderate symptoms and recover without special treatment. Total 20 students participated in the activity.

A REPORT ON Tree Plantation at Maltekdi, Amravati

The NSS unit of the institute had organized Tree Plantation on 25/10/2021 at Maltekdi Amravati. The Volunteers first of all took all the saplings to the Maltekdi.

Then Mr. Athar Iqbal NSS programme officer addressed the volunteers about the role of trees in human life. He also mentioned that we should take utmost care of environment.

The volunteers planted desi trees. These trees include Neem, Pimple, Banyan Tree, Tamradus

Indica etc. Some volunteers were assigned the task to give water and some were digging to plant trees. Volunteers planted 50 trees from 8.30 am to 11.30 am. Mr. Athar Iqbal

NSS programme officer Ms. Puja Sawsakade Program Officer NSS, Dr. J.R. Bansod NSS co-ordinator were present for the same.

Trees are the foremost source for producing the oxygen in environment, they help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees are one of the most important solutions today. College believes in increasing the area under plantation around the city to educate people about importance of tree plantation. To improve air quality of surrounding area and contributing towards saving and increasing water level of underground water reservoirs as trees helps in percolation of rain water in soil. Trees help nature in balancing the different ecosystem. 80 students participated in the programme. Tree plantation will have positive effect in enhancing the beauty of the city and probably it will secure the city from sever water scarcity.

The area surrounding the tree plantation is likely less polluted and the population of the different flora and fauna has been remarkably increased. Tree plantation is equal to doing social work or any holy work. All volunteers were happy and experienced a proud feeling after the tree plantation event was over, as it really felt great to do positive for the nature.

A REPORT ON BLOOD DONATION CAMP

The Birthday of Former President of Vidya Bharati Shaikshanik Mandal, Her Excellency Smt. PratibhatiPatil is celebrated in college by organizing a Blood Donation Camp on Monday 19/12/2020. This Blood donation camp was organized by our NSS unit, in collaboration with NCC & Commerce Department through which more than 65 units of blood was donated by both students and the staff members of our Vidya Bharati Mahavidyalaya Amravati. . It is a way of Vidya Bharati Mahavidyalaya's gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

A REPORT ON BLOOD DONATION CAMP

The Birthday of Former President of Vidya Bharati Shaikshanik Mandal, Her Excellency Smt. Pratibhati Patil is celebrated in college by organizing a Blood Donation Camp on Monday 20/12/2021. This Blood donation camp was organized by our NSS unit, in collaboration with NCC & Commerce Department through which more than 122 units of blood was donated by both students and the staff members of our Vidya Bharati Mahavidyalaya Amravati. It is a way of Vidya Bharati Mahavidyalaya's gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives of many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

ON THE BIRTHDAY OF

Her Excellency Smt. Pratibhatai Patil, The Former President of India

To,
Head of the Department
Vidya Bharati Mahavidyalaya
Amravati.

Respected
Sir/Madam,

The Birthday of Former President of Vidya Bharati Shaikshanik Mandal, Her Excellency Smt. Pratibhatai Patil appears on Saturday 19th Dec. 2021.

The college has proposed to organise a "Blood Donation Camp" at our premises to mark this auspicious occasion. Your wholehearted co-operation in this regard will make the event glorious. You are requested to please register maximum number of students and staff members from your department to donate the blood in this camp. Please inform students that they will be awarded 2(Two) incentive marks for donation. These marks will be added to minimum passing marks if the students fail to score minimum passing marks for a particular subject.

It will be convenient for the organising committee to make adequate arrangement if you could submit the list of donors from your department before 18th Dec. 2021. Each Department must submit the list of at least 10 (Ten) students to the organizing committee.
