4.3.1 Institution frequently updates its IT facilities including wi-fi.

4.3.1 Institution frequently updates its IT facilities including wi-fi

The Institution deploys adequate ICT facilities required for academic and administrative purposes. All IT facilities are frequently updated and congruently changed as per the need of time. There is paradigm shift from black board to green board; green board to white board; from white board to LCD and from LCD to DLP and from DLP to smart boards. Now there are thirteen ICT class rooms, two ICT halls and two smart class rooms available with the Institution. The ICT halls are equipped with modern acoustics. Almost all laboratories are equipped with LCD projectors. We have 50 MBPS lease line and Now broadband facility updated upto 100 mbps. As far as computing facilities are concerned, all computers are with latest configurations and its connectivity has been shifted from LAN to cloud facility. Enlisted information given below depicts the frequency in updating IT facilities including wi-fi.
