## About Alumni Association

Vidya Bharati Mahavidyalaya, Amravati has distinguished themselves at the national and international levels. They have spread far and wide globally and done their Alma Mater proud by excelling themselves as academicians, administrators, scientists, scholars, entrepreneurs and technocrats. Several of them have reached heights of excellence in their respective fields and are significantly contributing to the socio-economic development of the nation at large.

The very mention of alumni brings before us the glorious past and distinctiveness of our college - that we are old, large and big. It conjures up vivid memories of yester years, the nostalgia and rich heritage and traditions of the past, which shaped our college. Over the years we have crossed several milestones, made significant contributions to the advancement of knowledge and kept pace with the changing times and needs of new generations. We have transitioned from a traditional college and are now surging ahead to become a pace setter in the field of higher education with an international outlook and a global outreach.

Alumni are a part of these processes of continuity & change, and tradition & modernity. The college seeks to institutionalize these bonds between alumni and alma mater through the Association into a lifelong relationship.

College has always considered its alumni as a source of strength, support and sustenance in its endeavors of scholarship, innovation and institution building in higher education. The Alumni Association has been formed in 2004 in order to fulfill the long felt need for a forum and the cherished desires of its alumni. It has been duly registered as a society (MH/1269/12 to activate its functioning. A committee has been constituted to provide vision, guidance and coordinate the all-round activities of the Alumni Association.

We envisage the Alumni Association as partner in the progress of the Institute. This Association unfolds before us a series of opportunities to serve and lend our cooperation in full measure in its success and sustenance.

- We think of Alumni Association in helping all of us stay connected to our alma mater.
- We visualize it in facilitating the fine tradition of giving back
- The Association should support the college in pursuit of excellence.
- The Association should seek to promote networking among alumni bodies / individuals and provide services to members.
- We consider the Alumni Association as vital to the onward march of our University in the new millennium.
- We are thinking of initiatives and strategies in fulfilment of the avowed objectives. This calls for strengthening of the Association.
- You may apply online for the membership of the association. Over the years we have crossed several milestones, made significant contributions to the advancement of knowledge and kept pace with the changing times and needs of new generations.

- The college is willing to extend all possible cooperation for the success of this association, which is a link between the past and the present and holds connectivity to the future. We appeal to all the alumni to enrol in the Association and strengthen the bonds with our alma mater. There are different categories of membership for participation in the Association.
