Inter-University e-Poster Competition

A Report

Earth Day is an annual global event, observed on April 22, which celebrates the environmental movement and raises awareness about pollution and ways to maintain a clean habitat. To encourage environmental protections & to recycle and make the students aware about the threats of climate change and its impact on environment amid the ongoing COVID-19 pandemic, the department of Botany organized an E-poster Presentation Competition as a part of Earth Day.

Aims and Objectives:

1. To raise the awareness about various environmental problems. Posters provide visual, colourful, simple ways to communicate and are suitable for display in community spaces.
2. To sensitize the youth about Environmental issues.

The students showcase their perceptions about save environment through their creativity over canvas. Inter-University e-Poster Competition was organized by Department of Botany on 29th April 2021 for UG and PG students on the occasion of World Earth Day. Firstly, the brochures were circulated to the different colleges through whatsapp groups. The registration link was included in the brochure through which all the students from other colleges and also from other universities registered themselves for the competition. Around 150 students from different universities participated in the competition.

The topics of competition were as mentioned below:

1. 'Vrukshavalli Amha Soyare Vanachare'
2. Lockdown and Healing Earth
3. Restore Earth Restore Life
4. Biodiversity: The Asset of Earth
5. World Health and Earth
6. Be a Part of Solution-Not a Part of Pollution

E-Poster Presentation Specifications
