Preface

I express my sincere gratitude towards the President of Vidya Bharati Shaikshanic Mandal, Hon'ble Shri Raosaheb Shekhawat, for his constant support and encouragement. Our patrons, the Founder President of VBSM Hon'ble Dr. D.R. Shekhawat and Former President of India Hon'ble Pratibhatai Patil. They have always been a source of inspiration to carry on the noble work of education for the betterment of youth in this region. The strategies and vision of the management helped us to overcome these odd times to a great extent. All the traditional set up of teaching -learning methodologies in our campus is being replaced by modern digitalized pedagogical platforms. The entire college campus is preparing very hard to face the third cycle of assessment by National Accreditation & Assessment Council, Bengaluru.

Since March 2020, we all are witnessing the unprecedented global impact of Covid-19. The entire world has been struggling on social, political, economical and psychological fronts of life. Educational front is not an exception. We all have been trying to make productive use of lockdown period. We are making efforts to transform our ways and means from traditional to ICT based set-up in education. But of course it is a tough job both for teachers and students. But there is no way out. We have to adopt ourselves with the changing times. We are actually witnessing a new era of teaching- learning from home. COVID-19 has taught us many lessons with social distancing being a new norm. Amidst all these unfavorable conditions I am happy to mention here that we could remain connected with the students

Though there was no physical presence of students during this academic session, host of student - centric activities were organized throughout the year. Even though there was a lot of resistance and confusion initially, the students accepted this challenge of pandemic situation and started transforming it into an opportunity. Our 33 students brought laurels to the college by participating in the virtual competitions held at state and national levels. The number of research centers recognized by Sant Gadge Baba Amravati University has increased to 11 with 21 supervisors guiding more than 80 research students. 03 research papers published by Dr. M.H. Masand from the department of Chemistry appeared in journals of high impact factor on finding drugs for Covid-19. They are included by WHO in “Global Literature on Corona Virus Diseases” Dr. Pallavi Mandavgade, Head Department of Management has granted a Patent in Innovation in Management by GOI. I congratulate them for their special contributions.

The college monitoring committees/various departments remained busy with organization of several conferences, seminars, workshops and competitions in virtual manner. This year the department of Physical Education organized an International Webinar on

“Physical Fitness and Covid-19: A Call to Action” in which 1840 delegates from various countries took part. Several counseling sessions were held by Psychological Counseling Cell of the college for students, teachers and even parents to boost them up against life threatening circumstances created due to Lockdown; Dept. of Computer Science organized a National Webinar on “ICT Tools for Online Teaching & Learning”; Department of Botany and Zoology organized a State level Webinar on ‘Sustainable Biology’ and Department of Electronics organized a State Level Webinar ‘Role of Recent Electronics Technology in Industrial Development’ State Level Elocution Competition organized by Dept. of English on 22nd Jan.2021. In the month of September State Level Elocution Competition was organized as a regular feature of the campus.

In spite of the unfavorable situation the Training & Placement Cell has been proactive and striving hard to conduct campus placements. In order to enhance employability skills and to make our students job-ready, the management of our college has made a MoU with Microsoft under which a Microsoft Certification Center is established.

So amidst all the odds, VBMV is striving hard by providing the best teaching, learning and research opportunities to students, teachers and researchers alike to reach our goals for the betterment of society through Education..

While closing the Annual Report, I must mention and appreciate the hard work and sincere efforts of Dr. M. S. Patbage (Ghurde) as the Coordinator of the Annual Report Committee and Dr. M. M. Kherde, Ms. S. R. Totade, Dr. Abhijit O. Chauhan, Dr. S. H. Rathod, Ms. N. N. Kakpure and Ms. P. G. Sawsakde- the members of the committee who wholeheartedly supported her in making of the annual report. I also appreciate the comprehensive efforts and all inclusive approach of Dr. R. M. Patil, Co-Ordinator IQAC for improvement and sustenance of quality in the campus.

Students` Chapter:

Here the facts and figures are recorded showing number of students admitted to various undergraduate and postgraduate courses. The names of the meritorious students (18) also have been enlisted here. The university examination results of Winter-2020 for undergraduate level is 95.29% and post graduate level is 99%. Though there was no physical presence of students during this academic session, 33 students participated in various virtual competitions and grabbed many prizes. The social responsibility of an academic institution is not only to provide the quality education but to make it sure to find out jobs for the young blood. As a result 35 students are placed in multinational companies. One of our students Mr. Shantanu Borkar (B.Com. II) brought laurel to the college by bagging the Gold Medal in Boxing. In this academic session 2019-20 the college has achieved every possible success in all aspects of academics. This year to 04 research students are honoured with Ph. D degree and 08 PG students have cleared NET/SET examination and 02 UG (B.Sc. PCM) students cleared IIT-JAM examination. The details are as follows.

I) Admissions to various programs

In this academic session 4412 students are enrolled for various courses, out of which 1703 (705 boys + 998 girls) are for the courses on Grant-in-aid basis and 2709 (1112 boys +1597 girls) are for the courses on Non-grant-in-aid basis.

While closing the abstract of the Annual Report, I must mention and appreciate the hard work and sincere efforts of Dr. M. U. Ghurde as the Convener of the Annual Report Committee and the members who wholeheartedly supported her in the making of the annual report. I also appreciate the all inclusive approach of Dr. R. M. Patil, Co-Ordinator, IQAC for improvement and sustenance of quality in the campus.

Dr. P. S. Yenkar
Principal
