Interview techniques

- In case u do not hear a question being asked the be polite to ask for repeat.....
- Express ur opinion politely , never be aggressive by tone
- Do not speak negative and avoid arguments
- Do not boast ur knowledge, skills, and experience.
- Wait for the interviewer to tell u that the interview is over.

The webinar was started exactly at 11.00 am. Miss. Apeksha Bhidkar student of M.Sc.II introduced the guest Miss. Radha Ubharande. In the session of the webinar, Miss Radha Ubharande, Data Analytics Consultant, Infosys, Pune delivered lecture on "Opportunities in Data Science". She explained application of Mathematics in Data Science. In her lecture she also gave information about courses and opportunities in Data Science. This session was very interactive and many questions were asked by the students.

Dr. P. P. Khade, Assistant Professor & Head, Dept. of Mathematics, VBMV, Amravati, gave information about Srinivasa Ramanujan and encouraged the students to get acclimatized with the new areas in Mathematics.

At the last of webinar, Miss. Vaishnavi Jichkar proposed vote of thank to the Principal, Speaker Miss. Radha Ubharande and Head, Staff of department and webinar was over.

Details of the Activity

Aim:

This session was taken for students to make them understand the importance of choosing career at this stage.

➤ **Objective:**

- To make them aware about the importance of career options
- To make them aware about the different career options available after BCA and MBA

Report :

The program started with the felicitation of the guest. The introduction of the guest was given by Miss Vina Sharma. The HOD, Prof Vinod Mohod, event Co-ordinator Ashwini Rathi, Class teachers of BCA were also present to welcome the guest. The students were present in large number. The guest was introduced by Miss Vaishnavi Vairale. The main aim was to make the students aware about the importance of career options. The latest trends and development in the industry, skills, tools and techniques required to get employable. This session was taken for the students to make them understand about the different opportunities in corporate world.

Total 76 students were present from BCA – II and BCA- III . Students were delighted to attend such a workshop after a long time. They listened carefully and asked due questions to the guests. Overall the program was highly successful. The vote of thanks was given by Miss Vaishnavi Konde.

The whole team of BCA Department was present during the event and took great efforts to make the event successful.

Report:

Vidya Bharati Mahavidyalaya Amravati

Department of Botany

Guest Lecture on “Career Opportunities in Life Sciences”

A Report

The Inauguration of Botanical Society for the year 2021-22 was made with the great hands of academician Dr. P. D. Satav, Associate Professor, Department of Microbiology, Swami Ramanand Teerth Marathwada University, Nanded on 26 March 2022.” On this occasion Dr. P.D.Satav delivered a very informative and lucid guest lecture on “Career Opportunities in life Sciences”. The program was chaired by Principal Dr.P.S. Yenkar and President of Botanical Society, Ku. Kajal K.Apale who was the topper from M.Sc. first year. The office bearers of Botanical Society for academic year 2021-22 were also installed with the hands of chief guest. Later, Dr. P.G. Bansod, Head of the Department Botany, Vidya Bharati Mahavidyalaya, Amravati. Secretary Ku.Pratiksha R.Khawale presented the last year report of the department focusing with many achievements of the academic and non-academic events. Dr. M. U.Ghurde, Assistant Professor, Dept. of Botany Vidya Bharati Mahavidyalaya, Amravati also introduced the guest and his academic excellence before the grand gala of audiences. Many students from different colleges across the arena of Amravati University had attended the event and enjoyed the feast of knowledge. All staff members of the department and all P.G. students or Botany helped for successful organization of the event. Around 83 participants were actively participated in this workshop.

3. **Report:**

Report on
Guest Lecture on
“Career Opportunities in Computer Science”

Pursuing a Degree in Computer Science such as, expertise in computing enables us to solve complex, challenging problems. Computer science is a really versatile degree. People who have computer science levels is found employed in the public plus the personal sectors. Computer Science is one of the fastest growing career fields in modern history. So by considering the need of students to understand the importance of degree they are pursuing our department decided to organize a guest lecture on “Career Opportunities in Computer Science”

Career in Computer Science is considered one of the most high-paying jobs and this sector is broad in terms of employment and job opportunities. Computer Science students can get jobs in non IT companies as well in universities, research, private and public industries, government departments, business organisations, commercial organisations and the manufacturing sector, etc. Earning a computer science degree opens up numerous career opportunities.

The main objective of this Guest Lecture is to enlighten the students about the aspects where they need to put more effort for kick starting their career in Computer Science. Being a Computer Science Student what are the different challenges that one can face and what are the different perks that one can get.

Computers are part of almost every part of our lives, from the phones we use to the food we eat. So **majoring in computer science can be a seriously smart move for the 21st century.** Not only will we learn about computers (hardware *and* software), we'll also learn about the real-world applications of technology.

A Guest Lecture on “**Career Opportunities in Computer Science**” was held on 31st March 2022 at 12 noon in AV Theatre, Third Floor main Building for MSc. I, MSc. II year, and B.Sc. Final year students. Various Students and Faculty members was present to attend the

lecture.

The host for the program is Miss. Gaurika Harish Khandare of MSc I year . She welcome all the dignitaries. A heartily floral welcome of Guest Mr. Sharique Shaikh Sir was done by our respected head of department Prof. Ather Iqbal Sir. After guest welcome introduction of guest is done Miss. Shivani P. Kshrisagar of MSc I year. Later on the guest speaker Mr. Sharique Shaikh was called to Start his session.

The lecture was delivered by **Mr. Sharique Shaikh Director Web Media Consultancy Private Limited**. The lecture enabled the students to acquire knowledge in programming languages, automation tools and understand the requirements for getting jobs in core sectors. He spoke about the importance of computer science in various fields. The speaker motivated the students to do internship in the MNC's.

The guest speaker has more than 16 years of rich experience in IT industry. During his 16 years in IT industry he worked with many reputed organizations and his vast knowledge and experience was reflected in his lecture. The speaker also shared her industry experiences about software engineering faced by his team and what measure they took to identify and remove that risk. The session was very interactive and students participated enthusiastically.

	<u>Report on</u>	

Workshop on **“Project Internship & Interview Techniques”**

Computer science is a really versatile degree. People who have computer science levels is found employed in the public plus the personal sectors. Computer Science is one of the fastest growing career fields in modern history. Internship projects are tasks or activities that interns complete while working with a company or organization. Individuals may apply to internships to gain real-world experience and additional skills to help with future roles.

A project-based internship can be included in a Bachelor's or Master's degree programme at a university, where the student is assigned to a host such as a company or public or private organisation. A project-based internship is an unpaid learning process which offers great benefits to both the student and the host. The students bring qualified knowledge into play and get to try out their theoretical and methodological competences in practice.

An interview is at the most fundamental level, a meeting between strangers. (Skills, attributes, knowledge, experience, understanding). An interview is a mutual exchange of information between an employer and you, as a candidate for a position. Developing Interview Skills is one of a valuable and user-friendly and help you to develop at work. The Art of interview skills will help you think creatively.

The Internship Program is a project-oriented learning opportunity for graduate students to gain experience through research assignment. Internship projects are tasks or activities that interns complete while working with a company or organization.

InStep interns get to work on dynamic projects ranging from application development to business consulting in practices that include Corporate Planning, Education and Research, Enterprise Solutions, Software Engineering, and Technology Labs. Learn more about our internship projects openings and apply online.

A workshop on “ **Project Internship & Interview skills**” was held on 19th April 2022 at 1:30 pm in , Third Floor main Building for MSc. I, MSc. II year, and B.Sc. Final year students. Various Students and Faculty members was present to attend the Workshop.

The host for the program is Miss. Gaurika Harish Khandare of MSc I year . She welcome all. The guest for the workshop was Mr. MayurWankhade Administrator WebMedia& Mr. Kapil Sharma CTO WebMedia.

Mr.MayurWankhade Administrator WebMedia Consultancy Private Limited start his

session by giving information and importance of Internship Projects. The lecture enabled the students to acquire knowledge in Project Development and also about the various techniques for facing an interview. He spoke about the importance of computer science in various fields. The speaker motivated the students to do internship in the MNC's.

Mr. Mayur Wankhade gives a brief introduction about his company WebMedia and also mention its various branches. He also explains the main focus of company and in which area the company deals. He told students about various tips regarding an interview. Computer science has changed so drastically over the years, especially in the past five years.

The most awaited moment that is interview session is started soon. All the students of M.Sc. I year, M.Sc. II year, Computer Science Final Year & Computer Application Final Year had took part in the interview session. And the students told that it was a great experience and they have learned a lot by this workshop.
