Mentor College under Paramarsh Scheme by UGC  
'Lead College' by S.G.B. Amravati University, Amravati.

### **7.2.1 Best Practice 1: Mission against Covid 19**

## **7.2.1 Best Practice 1: Mission against Covid 19**

The Government of India had consistently been taking proactive steps to respond to the COVID pandemic, and had been bolstering the preparedness of the health system to respond to all aspects of COVID-19 management. India managed to maintain lowest positivity and mortality rates coupled with one of the highest recovery rates globally during the pandemic. The country's public health efforts were strongly supported by its research and development capacity in developing vaccines against COVID-19.

The Government has taken a multi-pronged approach to tackle the onslaught of COVID-19 which resulted in stemming the onslaught of the pandemic in the country. A holistic range of measures have been adopted to counter the challenges posed by the pandemic, encompassing all sections of the population and all possible requirements of the health sector.

The emergence of COVID-19 in the country in early 2020 called for immediate action. The Government adopted a pre-emptive, pro-active, whole-of-government, whole-of-society approach, built around a comprehensive strategy to prevent infections, save lives and minimize impact. Focus was given on strengthening medical and healthcare infrastructure. Efforts were made to strengthen the core capacities in terms of laboratory, hospital infrastructure, R & D on diagnostics etc., along with the development of indigenous capacities in terms of essential logistics including personal protective equipment, diagnostics, ventilators and oxygen generation plants, among others. Measures were taken to keep the citizens at the centre of the Government's efforts, ranging from prevention, diagnosis and treatment of COVID-19 to awareness on Covid-Appropriate Behaviour. The Government extended logistic and financial support to the States in order to enable them to effectively combat the COVID-19 pandemic. India launched the world's largest vaccination programme covering the entire length and breadth of the country.

## **Name of the activity: Covid-19 Vaccination Camp**

Vidya Bharati Mahavidyalaya Amravati in collaboration with national cadet corps of Vidya Bharati Mahavidyalaya Amravati organised COVID-19 vaccination camp on 21<sup>st</sup> January, 2022 for the students of various streams of Mahavidyalaya.

Mr. Narendra Phulzele, Deputy Commissioner, Amravati and Dr. Rajesh Burange, Coordinator, NSS of Sant Gadge Baba Amravati University, Amravati visited the vaccination camp. 90% of the students of Vidya Bharati Mahavidyalaya Amravati are fully vaccinated.

Valuable efforts have been taken by Dr. P S Yenkar, Principal, Vidya Bharati Mahavidyalaya Amravati. In addition to that Capt. M. M. Rathore (Associated NCC officer), Mr. Amit Ingole (In charge, NCC), Dr. N. R. Thorat (Nodal officer), Mr. Aditya Lunge and cadets of NCC have taken various efforts for smooth and successful conduction of the vaccination camp.

## **Name of the activity: Guest Lecture on Mental Health during covid 19**

Under this Covid-19 pandemic scenario, there is negativity everywhere. So keeping in mind the condition of students, teachers and staff, Vidya Bharati GEMS came up with an idea of undertaking a seminar on “Mental Health Awareness”. Under the guidance of the chairperson of Vidya Bharati GEMS, resp. Mrs. Manjari Shekhawat a webinar was organized on the topic “Developing a Positive Attitude” which is the need of the hour. This webinar was organized on 26<sup>th</sup> Sept 2020. It was a moment of pride that students of Vidya Bharati College got the opportunity to listen and ask questions from the leading Psychiatrist from Mumbai. More than 270 students participated. All the participants got certificate.

The event was organized on Online Platform (Google meet). Mr. Rushi was the coordinator from IIT Mumbai. Miss Vaishnavi Choudhari introduced the the guest Speaker. Dr. Saba Jivani, a leading therapist and psychologist from MUMBAI. She gave important tips on how to stay positive in this scenario. Students asked questions to which she gave some remedies on over thinking, negative thinking and staying away from depression.

Prof. Ashwini Rathi and a student co-ordinator Miss Vaishnavi Choudhari from BCA Department took great efforts and pains in making the programme successful under the guidance of Mrs. Manjari Shekhawat, chairperson GEMS, Principal - Dr. P. S. Yenkar, the coordinator of GEMS – Prof. Amit Jaiswal , HR Director Mr. Manninder Monga,. Special efforts were made by Prof. V. N. Mohod, Head, BCA Department and the members of CORE Committee of GEMS. The programme benefitted the attendees and was greatly appreciated by everyone. Vote of thanks was proposed by Miss.Vaishnavi Choudhari.

## VIDYA BHARATI GEMS, AMRAVATI

## **Name of the activity: Webinar on “Key to fight against Covid-19 Pandemic: Hand Sanitizer”**

The Cosmetic dept., Vidya Bharati Mahavidyalaya, Amravati had organized one day Online Webinar on Key to fight against Covid-19 Pandemic: Hand Sanitizer for faculty and Students of UG and PG on 20.06.2021 at 11.00 am on webex meeting app.

Total registrations for the webinar were 307. All the participants received e-certificate thorough Google form.

The link used was:

Registration is Free and Google form link for registration:

[https://docs.google.com/forms/d/1rOV26ezb5exJM\\_s6I5R9e60VZYpVOof05Pnd3kW5znDc/edit](https://docs.google.com/forms/d/1rOV26ezb5exJM_s6I5R9e60VZYpVOof05Pnd3kW5znDc/edit)

The webinar was started exactly at 11.00 am. Dr. L.K Vyas, the convener of webinar did the anchoring. Professor Bhavika Bhokare, VBMV, Amravati welcomed the speakers Mr. Ashish Pawanikar, and all participants and delivered the inaugural speech. In the first plenary session of the webinar, Mr. Ashish Pawanikar, Assistant Manager in Raymond Consumer Care Ltd., Mumbai, delivered lecture on Key to fight against Covid-19 Pandemic: Hand Sanitizer. “He explained in his lecture that how hand sanitizer work and how these materials behave in different conditions. This session was very interactive and many questions were asked by the participants.

Dr. P. S. Yenkar welcomed and congratulated all the participants. She encouraged the staff to get acclimatized with the emerging trends in administration and the responsibilities.

At the end of webinar, Prof. Bhavika Bhokare proposed vote of thank and E-certificates provided to the registered participants who attended webinar.

**Subject: Letter of Appreciation**

Respected Madam,

Thank You very much for delivering an Informative and thought provoking Guidance as guest speaker of online Webinar on ""Key to Fight Against Covid-19 Pandemic: Hand Sanitizer""

held on 20/06/2021 at Cosmetic Technology Department, Vidya Bharati Mahavidyalaya Amravati.

It was really a splendid presentation which exposed students to the field practices.

All the students of Department of Cosmetics were appreciated and got benefited from your view on the subject.

Looking forward for yours co-operation for the promotion of professional education in future as well.

Thanking You

### **7.2.1 Best Practice 2: Creating Awareness about National Policy 2020 among the different stake holders in the University territory**

## **7.2.1 Best Practice 2: Creating Awareness about National Policy 2020 among the different stake holders in the University territory**

Education is vital to the achievement of maximum human potential, the development of a just and equal society and the promotion of national development. Providing universal access to quality education is the cornerstone to India's continued rise and global leadership in terms of economic development, social justice and scientific progress, equality, national integration and preservation of culture.

The 21<sup>st</sup> century's first education strategy which seeks to solve our country's many rising developmental imperatives. This Policy recommends that all facets of the education framework, including its legislation and governance, be updated and redesigned to establish a modern paradigm that is consistent with the aspiring aspirations of education in the 21<sup>st</sup> century, thus drawing on the values and value systems of India. It is founded on the idea that college must improve not only cognitive capacities, but also ethical, mental, and emotional capacities and dispositions, both the “foundational capacities” of literacy and numeracy and “higher-order” cognitive capacities, such as logical thought and problem solving.

The need for a new education policy was felt in the country for a long time. Three National Education Policies have been introduced in India till now. The emphasis of previous policies on education was mainly on issues of access to education. The New Education Policy has been brought in keeping with view the current and future needs, which can lead to large-scale transformative reforms in both the school and higher education sectors. To achieve full human potential,

education is a fundamental requirement for the development of a just and equitable society and to promote national development. The whole world is undergoing rapid changes in the knowledge landscape. In this context, the new education policy will replace the 34-year-old National Education Policy 1986.

The New Education Policy 2020 proposes some changes, including the opening of Indian higher education in foreign universities, the introduction of a four-year multidisciplinary undergraduate program with several exit options. The objective of the New Education Policy is to make India a global knowledge superpower. The policy also proposes that all universities and colleges aim to be multi-disciplinary in future. This policy will boost employment in the country and fundamentally change our educational system.

Education is an essential and indispensable element for the all-round development of any society and country and a comprehensive national education policy is formulated by the nation to fulfill this requirement. The New Policy is an important initiative in this direction. The success of this new education policy will depend on how it is implemented. Therefore, it can be said that India's future will depend on providing high-quality educational opportunities to the young generation.

In this regard, Vidya Bharati Mahavidyalaya, Amravati organized one day workshop on Creating Awareness about National Policy 2020 in the University Area dated, 30<sup>th</sup> December 2021 at MBA Auditorium VBMV Amravati. Dr. K. M. Kulkarni, Former Vice Chancellor Swami Ramanand Tirth Marathwada University Nanded and Former Director HE Pune was the inaugurator. The first speaker, Dr. Rajshree S. Vaishnav, Professor and Head, Post Graduate Deptt. of Education and Dean, faculty of Interdisciplinary Studies R.T.M. Nagpur University emphasized on the importance and benefits of National Education Policy. Dr. (Mrs) Smita A.

Acharya, Professor, Department of Physics & Director IQAC and NAAC Coordinator RTM Nagpur University Campus, Nagpur was the second speaker. She talked on changes in old and new education policies. Around 108 staff from parent and other colleges attended the programme and benefited.

Inauguration at the hands of Dr. K. M. Kulkarni, Former Vice Chancellor SRTM University Nanded and Former Director HE Pune

Introductory speech by Dr. Pallavi Mandavgade, Head, Dept. of MBA

One day workshop on Creating Awareness about National Policy 2020 in the University Area
