7.2.1 Best Practice 1: Mission against Covid 19

Best Practice 1

Title: Mission against Covid 19

Goal: To develop the fighting instinct of students and staff against the Covid-19.

Objectives: To assist the various stake holders to fight effectively against the Covid-19

The Context: In order to stop the spread of Covid -19, the Institution has taken initiative to stop the spread of Covid-19. Along with this we also worked to increase the moral of people while facing the pandemic.

The Practice:

- We organised a free vaccination drive along with the guest lectures for the students.
- Students learnt about the different options to manage stress in COVID-19 situation.

The Evidence of Success:

70 students are vaccinated, learnt about sanitization practice

Problems encountered

Some of the students and their parents were found not much interested in vaccination because of the fear of side effects.

7.2.1 Best Practice 2: Creating Awareness about National Policy 2020 among the different stake holders in the University territory

Best Practice 2

Title: Creating Awareness about National Policy 2020 among the different stake holders in the University territory

Goal: To explain and elaborate the vision and scope of NEP-2020

Objectives: To elaborate Concept, Mechanism and advantages and disadvantages of NEP-2020

The Context: Most of the mechanisms and goals of NEP-2020 are yet to be elaborated in the simplified manner to various stakeholders of education system.

The Practice: We organized a workshop on Creating Awareness about National Policy 2020 in the University Area on dated, 30th December 2021.

The Evidence of Success:

108 staffs from parent and other colleges attended the programme and benefited.

Problems encountered:

Rural teachers are not interested to know about the new updates.
