2.	Detailed Report (Up to 1000 Words):		
	<p>Department of Zoology has organized One day Study tour of B.Sc. III students to Fish Development Center Morshi Dist. Amravati on 29 September 2022. The field visit was planned to visit the Fish Culture Center. The Fish Culture Center developed different fishes (Rohu, Catla, Mrigal) by advanced technology used in fish farming. There were forty seven students who participated in this field visit.</p>		

The objectives of the field visit were:

- To know the importance of Fish Farming.
- Awareness of Fish Rearing and Development among students.
- To develop skills for fish farming on small scale among students.

Outcome:

At village level, successful fish production provides nutritional and economic security and also empowerment to the farmers, farm women, and rural youth. Fish Farming also helps to generate employment among students. There is a need to impart improved technical know-how to traditional fish farmers in order to facilitate the adoption of improved technologies available in this area.
