**ORGANISES A GUEST LECTURE ON**

*Happily  
ever after*

**RESOURCE PERSON**  
**Ms. Nimisha Saboo**  
**(Psychologist and Psychotherapist)**

**25<sup>th</sup> August, 10.30 am, MBA A.V Theatre**

**Report:**

### **GUEST LECTURE REPORT**

To make students aware about the right meaning of values and how to follow your instinct and values to achieve success in life, a guest lecture was organized on the topic, “**Happily Ever After...**” for the students of BBA and MBA, Department of Research & P.G. studies in Science & Management, Vidya Bharati Mahavidyalaya, Amravati at **11 A.M. on August 25<sup>th</sup>, 2022 in MBA A.V Theatre.**

It's always a pleasure to hear from an expert of a field, one who not only provide us with insights of the field but is also able to answer all the inquisitive queries of the students. An eminent speaker **Ms. Nimisha Saboo, renowned Psychologist and physiotherapist ,Proprietor and Counselor from Blossom counseling services Amravati** interacted with students and made

them aware about Values, Happiness, How to achieve their goals.

Post corona period it was obvious and observant that many of the students had negative thoughts in their mind as I'm not good enough, My life is out of control, I wish I had more money and supportive family, I 'm not able to do my best, I feel stressed out, I'm anxious and depressed and such many other mind sparkling and boggling thoughts in their mind. So this guest lecture was arranged for revealing the truth within us and how every individual has the right and control of his own actions and pursuance of its goal to achieve happiness and success. And the key Mantra was following our Values and taking actions in alignment to our values to achieve our Goal.

Speaker discussed, made the session interactive by asking queries and their thoughts, cleared the myths of students beliefs between what is real and what is fact and enlightened the audience with clear words of wisdom. The overall session was very informative and interactive as Ms. Nimisha Saboo tried to cover a wide and important topic for todays generation i.e. Values and actions based on values. In all 86 students and all departments teaching staff had attended the lecture, learnt a lot from such knowledge providing event and also felt very much happy and satisfied. We have got a very positive feedback from our students about this guest lecture and they expect such kind of activities to be organized in future as well. Anchoring was done by BBA student's Samrudhi Gawande and Pranjali Gujar, Special Thanks to Dr. P.S.Yenkar, Principal VBMV for always encouraging and providing the platform for the event, Dr. P.N Mandaogade for always being a motivation for the department and Dr. Pooja Dammani the event incharge who took special efforts for successful organization of the event.

**Respected Madam,**

On behalf of Vidya Bharati Mahavidyalaya, Department of Research & P.G. Studies in Science and Management, we are very pleased to have the honor of inviting you to deliver lecture at our College as part of the Guest Lecture Program. We would like you to speak on "Happily Ever After." **on 25<sup>th</sup> August, 2022 at 11:00 a.m. in MBA A.V Theatre.**

It is an honor and privilege to invite you as Speaker for the Guest Lecture. We believe that your contribution to this field is unparalleled and a orientation on this topic will be of great benefit. We look forward to a positive confirmation, an honor for us indeed.

Best wishes.

Sincerely yours,

**Report:**

**Vidya Bharati Mahavidyalaya, Amravati  
Universal Human Values Cell**

Higher education plays an extremely important role in promoting human as well as societal wellbeing and in developing India as envisioned in its Constitution - a democratic, just, socially conscious, cultured, and humane nation upholding liberty, equality, fraternity, and justice for all. Higher education significantly contributes towards sustainable livelihoods and economic development of the nation.

Considering the present scenario prevailing in the economy AICTE has initiated with bringing universal human values as a part of the curriculum. Various FDP's have been launched on UHV by AICTE. It is mandatory to include UHV in Student Induction Program.

Vidya Bharati Mahavidyalaya MBA department has 75% of its faculties who have completed their FDP in UHV. For inculcating human values among the students, the department launched a short term course on Universal human values for students; the course was

coordinated and conducted by **Dr. Pallavi Mandaogade**. The course started from 10<sup>th</sup> October till 22<sup>nd</sup> October 2022 in offline mode, MBA, Av theatre. Certificates were distributed at the end by the hands of Principal, Dr. P.S.Yenkar and Vice President Dr. M.M Rathore. Students expressed their views and learnings from the course. They felt very happy and delighted to complete the basic course of UHV and thank the college and incharge Dr. Pallavi mam for beautifully conducting and completing the course. The convener of UHV cell Dr. P.N Mandaogade coordinates all the UHV activities for the students.

Through: IQAC, VBMV

**Subject: Proposal for conducting Short Term Course on Universal Human Values**

Respected Madam,

The purpose of education is to facilitate the development of clarity on the aspiration and adequate competence to actualize it. For this, it is essential to understand what a happy, fulfilling and successful life is – what is really valuable for human being; what is our purpose as a human being? The subject which enables us to understand this domain is called 'Value Education' (VE). It enables us to understand our aspirations and visualize our goals for a fulfilling life and indicates the direction for their fulfillment. In relation to these issues, it also helps to remove our confusions and contradictions. In that sense, VE addresses the issues related to 'what to do?'

We hope this course will benefit the students and enable them to get clarity of the subject as to what to discover what is truly valuable in life; and work out the program for its fulfillment.

We enclose herewith an outline of the course for your kind perusal. The course will be conducted offline by the faculties from MBA department who have completed UHV FDP's. There are 5 faculties who have completed FDP on UHV.

As a convener of UHV Cell ,I would be the co-coordinator of the course.

For this idea to come into practice, we require your permission to conduct this Short Term Course on Universal Human Values. The course would be open for all the students of the campus. Duration of the course will be 30 hours (15days daily 2hours) from 12<sup>th</sup> Sept. to 28<sup>th</sup> September 2022.

Thanking you,

*Forwarded to the

**Report on**  
**Guest Lecture on**  
**“Recruitment Training Program”**

The objective of recruitment training is to enhance the skills and working capability of newly recruited candidates. Recruitment training is essential to involve the newly appointed employees in their current job positions. Training helps to familiarize new staff with the new work environment, work culture and company objectives. Training after recruitment is also helpful for new employees to understand rules and regulations of an organization.

The success of a training program depends largely on the recruitment trainers. It is essential for a recruitment trainer to possess sound knowledge regarding the mission of the organization. A trainer with good technical know-how can help the trainees understand their job quickly. In some cases, the newly recruited candidates are trained to use tools and technologies related to an organization. In such case, the trainer must be adept in not only using but also in instruction regarding the use of these. In addition, a trainer should have great communicating and management capabilities.

A perfect training program involves all strategies that an employee requires to perform the job well. Mistakes are quite natural for the beginners; but they can correct these through appropriate training. Training is a learning process through which a candidate identifies mistakes, corrects them and avoids that mistakes thereafter. Pursuing a Degree in Computer Science such as, expertise in computing enables us to solve complex, challenging problems. Computer science is a really versatile degree. People who have computer science levels is found employed in the public plus the personal sectors. Computer Science is one of the fastest growing career fields in modern history. Career in Computer Science is considered one of the most high-paying jobs and this sector is broad in terms of employment and job opportunities. Computer Science students can get jobs in non IT companies as well in universities, research, private and public industries, government

departments.

A Guest Lecture on “**Recruitment Training Program**”

was held on 07<sup>th</sup> Sep 2022 at 12 noon in AV Theatre, Third Floor Main Building for MSc. I, MSc. II year, and B.Sc. Final year students. Various Students and Faculty members was present to attend the lecture.

The host for the program is Mr. Noman Ali of BSc III year . He welcome all the dignitaries. A heartily floral welcome of Guest Mr. Nakul Deshmukh Sir was done by our respected head of department Prof. Ather Iqbal Sir. After guest welcome introduction of guest is done Mr. Noman Ali . Later on the guest speaker Mr. Nakul Deshmukh was called to Start his session.

The lecture was delivered by **Mr. Nakul Deshmukh Director, iBase Technology Solutions, Amravati**. The lecture enabled the students to acquire knowledge about recruitment training program, automation tools and understand the requirements for getting jobs in core sectors. He spoke about the importance of computer science in various fields. The speaker motivated the students to do internship in the MNC's.

The guest speaker has more than 16 years of rich experience in IT industry. During his 16 years in IT industry he worked with many reputed organizations and his vast knowledge and experience was reflected in his lecture. The speaker also shared her industry experiences about software engineering faced by his team and what measure they took to identify and remove that risk. The session was very interactive and students participated enthusiastically.

Learning and Development are an essential function of Human Resources, as it contributes towards the growing and nurturing of the employees of an organization. With the dynamic change in the domain of Human Resources over the years, it has clearly been evident that this aspect has evolved to be one of the important factors in talent creation and retention. Sir explains that with all of this advancing technology comes a greater need for professionals who can keep servers, systems, and software working. If you're one of the many people interested in this growing field, you might be wondering, “Which computer science career is right for me?” It's a big question because there's so much to choose from. Once you have an idea of which areas interest you most, you can prepare for that career with the best computer science degree that fits your needs.

### **A REPORT**

**on**

**8<sup>th</sup> State Level Intercollegiate Elocution Competition-2022-23**

**Date of the Event: 29/11/2022**

**Inaugural Function: 9.30am**

**Prize Distribution: 5.00pm**

**Venue: A V Theatre**

**No of Beneficiaries: 200**

The Department of English under the aegis of Vidya Bharati GEMS the 8<sup>th</sup> State Level Intercollegiate Elocution Competition was held on **29/11/2022** with the aim to provide a platform to the student fraternity of the various colleges in the state representing different universities in Maharashtra. In fact the events like elocution and debate are day by day declining, losing its relevance in the wake of mobile technology; this competition has been gaining a good and comprehensive response and wide popularity. Since this is a student-centric activity, students play a vital role in its organization. Considering the recognition and response of the students from various parts of Maharashtra the competition has been organized with diligence & utmost care. The first meeting of the members of organizing committee was held in October, 2022, and with the consent of all the date to organize the event got finalised. In order to conduct the function systematically and smoothly, committees were formed and responsibilities were distributed among the members of the organizing committee. The Brochures were printed well in advance for its in-time circulation. The organizers took special efforts to finalize the topics of the competition so that the most relevant and burning issues in the present context could be chosen for discussion and deliberation. The following topics were decided:

1. **Swatantryacha Amrut Mahotsava: Swapna ani Satya**
2. **Kutha Chhalalaya Mazya Lokshahi Pradhan Deshache Rajkaran?**
3. **Samaj Madhyamani Abol Kelit Manase**
4. **Deshbhakti Aani Rajnishtha**
5. **Kal Badalala Tari Pustake Rahanarach**
6. **Samajache Mukepan Adhogatricha Karan**

The inauguration was held on 29/11/2022 at 9.30 am. Dr. Eaknath Tatte, the veteran Marathi Writer and a popular columnist of B S Patil College, Paratwada, Dist. Amravati was the Chief Guest, Hon'ble Dr. Ashokji Chavan Secretary, V B S Mandal was the Guest of honour. Dr R M Patil, the Convener of the competition and Prof Amit Jaiswal, the Coordinator of GEMS were present for the inaugural function. Dr. P. S. Yenkar, Principal of the college presided over the function. The inaugural Ceremony was conducted by Dr. Minal Kherde. The competition began immediately after the inauguration. Around 200 students of the college got benefitted by the event. The contestants were informed about the rules and regulations of the competition. They were free to express themselves in 03 languages. There were total 47 participants from Mumbai University, SVP University, Pune, K B.C. North Maharashtra University Jalgaon, SGB Amravati University, Amravati, RSTM University, Nagpur & Gondwana University, Gadchiroli. This daylong lasting competition was adjudicated very meticulously by Dr. Sanjay Reddy (English), Dr. Rajesh Mirage (Marathi) Dr. Arun Ghogare (Hindi). The event went on without a break and systematically. Lunch and accommodation were provided to the participants at the venue itself by the college.

The Valedictory function was held at 5.00 p.m. in which the prizes were distributed to the winners of the competition. Hon'ble Pro-Vice Chancellor Shri. Dr V S Chaubey, SGB Amravati University, Amravati was the Chief Guest, and Principal Dr Aradhana Vaidya of local Bhartiya Mahavidyalaya, Amravati was special invitee for the prize distribution ceremony of the competition. Principal Dr. P.S.Yenkar presided over the function. Mr Vishal Kharchawal, a student of Shri Shivaji Science College, Nagpur won the First Prize which comprises of a Rolling Trophy, sponsored by Vidya Bharati Mahavidyalaya and a Cash Prize of Rs. 11000/- in the memory of Late. Kamal Shivdas Rangacharya, a certificate and a Memento. The second prize was bagged by Mr. Ashutosh Tiwari, R S Mundale College, Nagpur, comprising of a Cash Prize of Rs.7100/-, given in the memory of Late, Smt. Chandrakala S. Bodkhe, a Certificate with memento. The third prize went to Mr Karan Parikh, Shri Shiiivaji Science College, Amravati, with a Cash Prize of Rs. 3100/- in the memory of Late Smt. Ratnaprabha D. Wakode, with a Certificate and memento. Whereas the Consolation Prize of Rs. 2100/- sponsored in the memory of Late Prof. B.G. Kadu was won by Mr Saransh Sonar, KBC North Maharashtra University, Jalgaon. Certificates of participation were given away to all the contestants. Dr. R M Patil, the convener of the competition explained the aims and objectives of the competition in opening itself. Dr. Monali

Ghurde conducted the Prize Distribution Ceremony of the competition. The Valedictory Function got concluded with the vote of thanks extended by Dr Amit Jaiswal.

The Feedback forms were distributed among the participants, their feedback got collected and analysed. Their remarks were satisfactory about the organization, management, hospitality, lodging arrangements, etc.

Thus the competition was conducted very successfully. The Department of English and the organizing committee express its gratitude towards the Vidya Bharati GEMS for guidance and the teaching and non-teaching staff of the college for their support and co-operation.

#### **Guest Lecture on Relevance of English Language and Literature in Globalised World: Challenges and Opportunities**

**Guest Speaker:** Dr Manish Gaikwad, Shri Shivaji Science College, Amravati  
**Venue:** E-Classroom, 2<sup>nd</sup> Floor, Main Building  
**Date & Time:** 30.09.2022 (2.30pm)  
**No. of Beneficiaries:** 125 students

The Department of English has organised a guest lecture on **Relevance of English Language and Literature in Globalised World: Challenges and Opportunities** on 30/09/2022 at 2:30 pm in the E-Classroom of the college. **Dr. Manish Gaikwad** a veteran teacher, thorough academician and Assistant Professor in English at Shri Shivaji Science College Amravati was the expert speaker invited for the Guest Lecture.

The Department of English has planned this lecture in order to impart the importance of English Language and Literature in the global arena. Dr. Manish Gaikwad in his Guest Lecture explained how English Language plays a vital role in shaping the personality of an individual and makes him productive and efficient to cope with the challenges as well as to achieve success in his or her desired career. He also enlightened the young minds of students by presenting factual information about English Language and Literature and made them acquaint with the various Career opportunities available with the English subject. Along with this he also advised students to learn and use standard communication skills to make their mark into the Global Society. The students vehemently interacted with the resource person, Dr Gaikwad. Around 125 students of various streams of knowledge attended the lecture as its beneficiaries.

At the outset of the programme Dr. Manish Gaikwad was felicitated with shawl, Shrifal, *Pratibha*, the Annual Magazine and a memento by Dr. R.M. Patil Head Department of English. Dr. R.M. Patil, Dr. V.P. Shekokar, Prof. S.D. Deshmukh were present on the dais. Prof S. D. Deshmukh introduced the Guest Speaker and Dr. R.M. Patil delivered the presidential speech underlining the importance of conducting such guest lectures as well as guided students by highlighting the linguistic importance of English Language and relevance of the study of Literature. Miss Trupti Gaigole of B.A. III compered the programme while Miss Rutuja Gope of B.A. III proposed the Vote of Thanks. Prof V.P. Shekokar, Prof. Savita Lonare and Prof. S.D. Deshmukh took pains for the successful organisation of the programme.

## 'English immensely important as a global language'

■ Amravati Bureau

AMRAVATI, Oct 8

A LECTURE of Dr Manish Gaikwad on the topic 'Need of English Language and Literature in Globalisation: Challenges and Opportunities' was organised by Department of English from Vidyabharti Mahavidyalaya, Camp. Dr Gaikwad said that English as a language has immense importance as it is a global language. Prof R M Patil also expressed his views on the occasion.

At the outset, Dr Patil felicitated Dr Gaikwad by presenting him a shawl and *shrifal*.

The lecture was organised under the guidance of Principal Dr Pradnya Yenkar. Dr Shekokar, Shrirang Deshmukh and Savita Lonare were prominently present for the programme. Trupti Gaigole conducted the proceedings while Rutuja Ghope proposed a vote of thanks. Students from the department were present in for the programme.

Date: 16.09.2022

### Notice

All the Heads of the following Departments are informed that the Department Of English is going to introduce a Certificate Course to enhance the competence and proficiency of the students in English language. The Heads of the following departments are requested to **communicate the names of the first year students identified for the said course.** The Heads are also requested to **convey names of only five students from each department** on and before 17th of September, 2022 i.e. Saturday. The students identified may contact to the Department of English / English Language Laboratory, Third Floor to complete the process. The teaching for this course shall be of 60 minutes per day. It shall commence from 19<sup>th</sup> of September 2022. The Heads may convey the names of the students on the email given below:

Sr No.	Faculty	Class	No of Students	Name & Sign of Teacher/HOD concerned	Signature

**REPORT OF THE ACTIVITY**

**2022-23**

---

From 12-09-2022 to 25-09-2022, a workshop on dance and drama was held at multipurpose hall, sports complex. The workshop was organized by Department of Physical Education with the goal of providing an opportunity for participants to learn and explore the world of performing arts.

Shri. Prakash Meshram and Shri. Prashant Thakre an experienced dancers and drama coach began by introducing the topic and explaining the workshop's goals. The participants, a group of 107 individuals, then participated in a series of warm-up exercises, including stretching, breathing exercises, and movement drills. Next, the facilitator led the group in learning basic dance techniques. They started with contemporary dance movements such as the spiral, floor work, and partner work. The participants were encouraged to express themselves through movement and to experiment with different styles of dance. After a short break, the focus shifted to drama. The facilitator taught the group various acting techniques such as improvisation, character development, and scene work. The participants were given scenarios to act out and were encouraged to create their own scripts and characters. They were also given tips on how to convey emotions and effectively communicate with their fellow actor workshop ended with a final performance by the participants. Each participant showcased their newly learned dance and drama skills in a short performance that they had prepared during the workshop. Dr. D. S. Wankhade, Dr. S. K. Rodde, Prof. C. N. Jadhao, Prof. Butley, Prof. C.C. Jadhav, Dr. Anju Khedkar, Prof. Namrata Kakpure, Prof. Pooja Patil, Prof. Sheetal Mohod, were also present for the entire workshop

**Outcomes**

The workshop was a great success, and the participants had a positive learning experience. They learned new dance and drama techniques, improved their physical coordination, and gained confidence in expressing themselves through the performing arts. Some participants also expressed an interest in pursuing further training in dance and drama

**DEPARTMENT OF PHYSICAL EDUCATION**  
**REPORT ON ACTIVITY**  
**2022-23**

Department of Physical Education had organized a Physical Activity program on 07-04-2023 at multipurpose hall, sports complex on the occasion of World Health Day. The day is celebrated annually in accordance with the World Health Organization's aim to discuss health-related issues and to draw attention to specific health issues concerning people across the world. There were 127 Students present for the program. Activities were demonstrated by Dr. D. S. Wankhade specially yogic exercise were performed during the program which are easy and effective and which can be performed without any equipment and at any time of the day. The importance of the exercises was explained therein. Badminton and table tennis competitions were also played by the students.

10. Permission  
letter

:

To,  
The Principal,  
Vidya Bharati Mahavidyalaya,  
Amravati.

**Subject:** Permission to organize Physical Fitness Camp.

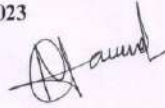

Respected Madam,

Department of Physical Education wants to organize a Physical Fitness Camp from 09-03-2023 to 13-03-2023 at our college ground for all the students of the senior college. The purpose of this camp is to promote physical fitness and overall health among the students. This camp will include a variety of activities such as, yoga, strength training, and sports games

I request you to please grant us permission to organize the above mentioned camp.

Thank you,

Date: 02-03-2023

Principal  
Vidya Bharati Mahavidyalaya  
Amravati

Yours Faithfully,

Dr. D. S. Wankhade  
Director  
Department of  
Physical Education

**REPORT OF THE ACTIVITY**

**PHYSICAL FITNESS CAMP**

**2022-23**

Physical fitness camp for college students was organized from 09/03/2023 to 13/03/2023 on college grounds by Department of Physical Education in which students of B.A. B.SC. B.Com. and BCA etc. participated. This camp was about to teach how to increase physical fitness, learning about Stretching exercise, Yogasana, Mass PT which can help to increase heart health Vastrika Anulom Vilom ,pranayama etc. were also done by the students and they were informed about different yoga asanas and the benefits of yoga asanas. The main objectives of the camp were to promote physical fitness, encourage healthy habits and educating students about the benefits of exercise. Dr. Sangeeta Deshmukh was called from Bharatiya Mahavidyalaya, Amravati to give information about the fitness status she also gave information that Regular physical activity is one of the most important things you can do for health, being physically active can improve your brain health, help manage weight, reduce the risk of diseases, strengthen bones and muscles and improve your ability to do everyday activities. Dr. Sabir Ali Mr. Praveen Singh Thakur and Mr. Adesh Rakshe gave information about shuttle Run, Two Hundred Meter Running and Four Hundred Meter Running; the students did exercises and all the above said activities. This camp impacted on the student's physical fitness levels, attitudes and overall development.

## Detailed Report (Up to 1000 Words):

### **Youth Red Cross Mammography and Pap Smear Test Camp Dated : 9<sup>th</sup> March 2023**

#### **A Report**

Youth Red Cross is a group movement for students. YRC provides opportunity for voluntary community service. Becoming a Red Cross volunteer is a great way to meet needy people and help Humanity.

A free mammography camp was organised in of Vidya Bharati Mahavidyalaya ,Amravati. The main organizers of the event were Rotary Midtown club, Youth Red Cross ,VBMV and Pratibha Women's Studies Center, VBMV, Amravati . Mammography is the process where low X-rays are used to detect breast cancer at an early stage.

Cervical and Breast cancers are most common type of cancers in India among women. Currently, most patients are diagnosed at advanced stages of the disease, which reduces their chances of survival. They have several misconceptions and often misinformed of cancers.

Breast cancer and Cervical cancer is largely preventable but women need to be screened to halt the deadly disease. Women unable to access breast cancer screening. The Mammography test is costly outside, and in few cases women are hesitant too. A camp like this in their own society helps in removing the hesitation from them.

The van, imported from the UK, is self-contained and in addition to the latest digital mammography equipment, has a waiting area and a private dressing room and was first inaugurated by former President of India Pratibha Patil at Raigad in Pune. Prevention and early detection are a woman's best chance against cancer.

In order to register for a mammogram, women are informed via WhatsApp and word of mouth. The van is stationed at college from 9am to 5pm and close to 100 women are screened in a day. Most women are unaware about the test; after they are told about it, they realise this isn't a blood test.

If tested positive, the patients are contacted in private and referred for further treatment. The doctors advised all the women to take the first test of Mammography at the age of 40 and then a regular screening after every two years. This is very important to find out the Cancer in its starting phase.

**2022-23**

Vidya Bharati Mahavidyalaya Amravati, Bharat Swabhiman Trust, Patanjali Yoga Samiti, Patanjali Kisan Seva Samiti, Yuva Bharat, Mahila P. Y. S. jointly organized A one-day Holistic Integrated Yoga Camp in the premises of Vidya Bharati Mahavidyalaya on 6th December 2022 from 5.00 am to 6.30 am The one-day holistic integrated yoga camp was inaugurated by the principal of the college Dr. Pradnya S. Yenkar. On this occasion, Chief Central In charge P. Swami Parmarthdevji, Yuva Bharat Central In charge Acharya Chandramohanji and Shri. Swami Anand Devji was present. In the opening speech, Principal Madam advised "Practice yoga stay healthy" and by doing yoga asanas daily we can keep the whole body and mind away from various diseases, she welcomed and congratulated all the guests of Bharat Swabhiman Trust. Acharya Chandramohan and Shri. Swami Ananddevji performed five hundred Dandabaiha, Surya Namaskar. Shri. Swami Parmarthdev ji while doing integrated yoga he told how important it is to do Kapalbharti along with various asanas.He told about the importance of yoga and how to overcome diseases through yogasanas. Bhende sir's homhavan was started in which thousands of yoga seekers participated. Teachers, non-teaching staff, students and students of the college also took part in the camp.

The main purpose of organizing this yoga camp was to make everyone disease-free and stress-free.

Warm Greetings !

On behalf of Youth Red Cross club, I express my sincere thanks for accepting our invitation and sparing your valuable time for organizing Eye Check-up camp in our campus on the occasion of Birthday of Former President of India Mrs. Pratibhatai Patil on 19<sup>th</sup> December 2022 at 10:00 am.

I once again express my deep sense of gratitude for your kind gesture and I hope to receive the same co-operation to social outreach programme in future.

With regards!

**Detailed Report (Up to 1000 Words):**

## **Report on** **Workshop of** **“Software Development”**

The objective of software development program is to enhance the skills and working ability of students as a team member. Software Development will prepare students to be successful professionals in the field with solid fundamental knowledge of software development. Software developer utilize and exhibit strong communication and interpersonal skills, as well as professional and ethical principles when functioning as members and leaders of multi-disciplinary teams. Developer will apply their foundations in software development to adapt to readily changing environments using the appropriate theory, principles and processes.

The success of software development program depends on work of student as an individual and as part of a multidisciplinary team to develop and deliver quality software. Student will have to demonstrate how to apply the software engineering lifecycle by demonstrating competence in communication, planning, analysis, design, construction, and deployment. Developer will have ability to work in one or more significant application domains. Developer will demonstrate an understanding of and apply current theories, models and techniques that provide a basic for the software lifecycle. Developer will be able to use techniques and tools necessary for engineering practice.

A perfect software development program involves all strategies that an employee requires to perform the job well. Mistakes are quite natural for the beginners; but they can correct these through appropriate training. Software development provides a series of steps for programmer to create computer programs. Understanding the software development method offers vast opportunities in the IT industry. Pursuing a Degree in Computer Science such as, expertise in computing enables us to solve complex, challenging problems. Computer science is a really versatile degree. People who have computer science levels is found employed in the public plus the personal sectors. Computer Science is one of the fastest growing career fields in modern history. Career in Computer Science is considered one of the most high-paying jobs and this sector is broad in terms of employment and job opportunities. There are several jobs in the IT industry that use software development.

was held on 22<sup>th</sup> Sept 2022 at 1:00pm in class room T5, Third Floor Main Building for M.Sc. I, M.Sc. II year, and B.Sc. Final year students. Various Students and Faculty members was present to attend the lecture.

The host for the program is Mr. of M.Sc. II year . She welcome all the dignitaries. A heartily floral welcome of Guest Mr. Kushal Dhole Sir was done by our respected head of department Prof. Ather Iqbal Sir and Mr. Suraj Dhole Sir was done by Mrs. S.M. Mohod Madam. After guest welcome introduction of guest is done Miss. . Later on the guest speaker Mr. Suraj Dhole was called to Start his session.

The lecture was delivered by **Mr. Suraj Dhole Director, ImagineScript Solutions Pvt. Ltd., Amravati.** The lecture enabled the students to acquire knowledge about software, and offers a defined structure for development team to follow in the design, creation and maintenance of high quality software. He spoke about the importance of computer science in various fields. The speaker motivated the students to do internship in the

The guest speaker has more than 5 years of rich experience in software development. He worked as developer with many reputed organizations and his vast knowledge and experience was reflected in his lecture. The speaker also shared her industry experiences about software engineering faced by his team and what measure they took to identify and remove that risk. The session was very interactive and students participated enthusiastically.

Learning and Development are an essential function of Human Resources, as it contributes towards the growing and nurturing of the employees of an organization. With the dynamic change in the domain of Human Resources over the years, it has clearly been evident that this aspect has evolved to be one of the important factors in talent creation and retention. Sir explains that with all of this advancing technology comes a greater need for professionals who can keep servers, systems, and software working. If you're one of the many people interested in this growing field, you might be wondering, "Which computer science career is right for me?" It's a big question because there's so much to choose from. Once you have an idea of which areas interest you most, you can prepare for that career with the best computer science degree that fits your needs.

**PROFESSIONAL SUMMARY:**

Director at ImagineScript Solutions Pvt. Ltd. Having 5+ year experience in Web Programming. Design Developed and Deploy Premium product of ImagineScript i.e PathoTrack.in (A Cloud Based ERP for Pathology Labs and Diagnostic Lab). PathoTrack are currently installed and configure with 12+ Pathology Lab and Diagnostic Center in Vidarbha Region.

Project management, systems designer, and developer on a variety of creative Web Applications and fields including Cloud based Accounting Applications, Dynamic Websites, CMS, Responsive layouts, E commerce.

**EDUCATIONAL QUALIFICATION:**

Master of Computer Application: Vidya Bharti College, Amravati.

Course	College/School	University/Board	Year of Passing	Percentage
MCA	VBMV Amravati.	Amravati University.	2013	63.6%
BCA	M.J.F. Amravati.	Amravati University.	2010	57%
HSC	Nursmaa College, Amravati.	Maharashtra State Board of Secondary and Higher Education, Pune.	2007	43.17%
SSC	S.K.V. High School, Amravati.		2005	57.20%

**EMPLOYERS:**

- Worked as a Sr. PHP Web Developer in MH27 Solutions Pvt. Ltd. (From February 2014 August 2016)
- Working as a Director and Developer at ImagineScript Solutions Pvt. Ltd. till date.

**TECHNICAL SKILLS:**

- Skills: PHP5, MySQL, Ajax, jQuery, Javascript, HTML5, CSS3, XML,JSON, Bootstrap
- Payment Gateways: CCAvenue, PayU
- WEB Server: LAMP, WAMP, XAMPP
- Operating Systems: Windows Enterprise, Linux
- Tools / Software: Notepad++, Dreamweaver, MySQL Query Browser, Photoshop
- Web Hosting: IIS, Apache, Domain, DNS, Email, FTP, Domain Transfer, VPS

### MANAGEMENT SKILLS:

- Ability to understand the client's requirements and provide them with independent professional advice and guidance.
- Can effectively work on own initiative, as part of a team, or as the leader of a group.
- Being involved in a project from evaluation, conception and completion.
- Able to host promotional digital campaigns and pitch clients for products and services

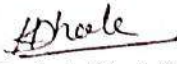

### ACHIEVEMENTS AND EXTRACURRICULAR:

- Host Workshops at Engineering & Technical Colleges on latest trends and technology in IT Sector
- Nominated as a Jury member in 2016 Sipna Engineering College Technical Event.
- Host complete project activity in M.Sc Department of Bhartiya Mahavidyalaya 2018.
- Delivered Guest Lecture at Gov. College of Pharmacy "Opportunities in IT sector for Pharmaceutical Businesses"

### DECLARATION:

I hereby declare that the above information holds true to the best of my knowledge and belief.

**Detailed Report (Up to 1000 Words):**

**Report on Workshop on “Artificial Intelligence”**

The objective of this workshop is the field of AI and machine Learning is evolving at a faster rate than one can imagine, This workshop on Artificial Intelligence and Machine learning was organized by Computer Science Department. The success of program depends on work of student as an individual and as part of a multidisciplinary team to develop and deliver quality

The workshop enabled students to implement various machine learning models. During the workshop students were taught basics of Python, Later they were made to understand basic of Machine learning and implementation of various models. Student will have to demonstrate how to apply the AI in lifecycle by demonstrating competence in communication, planning, analysis, design, construction, and deployment. Developer will have ability to work in one or more significant application domains. Developer will demonstrate an understanding of and apply current theories, models and techniques that provide a basic for the software lifecycle. Developer will able to use techniques and tools necessary for engineering practice.

A Guest of program said, how AI technology is transforming every walk of life. It is a wide-ranging tool that enables people to rethink how we integrate information, analyze data, and use the resulting insights to improve decision making. Our hope through this comprehensive overview is to explain AI to an audience of policymakers, opinion leaders, and interested observers, and demonstrate how AI already is altering the world and raising important questions for society, the economy, and governance.

In order to maximize AI benefits, we recommend steps for going forward:

Encourage greater data access for researchers without compromising users’ personal privacy, invest more government funding in unclassified AI research, promote new models of digital education and AI workforce development so employees have the skills needed in the 21<sup>st</sup>-century economy, create a federal AI advisory committee to make policy recommendations, engage with state and local officials so they enact effective policies, regulate broad AI principles rather than specific algorithms, take bias complaints seriously so AI does not replicate historic injustice, unfairness, or discrimination in data or algorithms, maintain mechanisms for human oversight and control, and penalize malicious AI behaviour and promote cyber security.

AI systems have the ability to learn and adapt as they make decisions. In the transportation area, for example, semi-autonomous vehicles have tools that let drivers and vehicles know about upcoming congestion, potholes, highway construction, or other possible traffic impediments. Vehicles can take advantage of the experience of other vehicles on the road, without human involvement, and the entire corpus of their achieved “experience” is immediately and fully transferable to other similarly configured vehicles. Their advanced

algorithms, sensors, and cameras incorporate experience in current operations, and use dashboards and visual displays to present information in real time so human drivers are able to make sense of ongoing traffic and vehicular conditions. And in the case of fully autonomous vehicles, advanced systems can completely control the car or truck, and make all the navigational decisions.

By the end of the workshop students were able to :

- Use list and sets in python.
- Import and use jumpy, tensor flow and other libraries.
- Understand various type of machine learning models: Supervised, Unsupervised and reinforcement models.
- Implement Linear regression model.
- Use Anaconda framework.

Learning and Development are an essential function of Human Resources, as it contributes towards the growing and nurturing of the employees of an organization. With the dynamic change in the domain of Human Resources over the years, it has clearly been evident that this aspect has evolved to be one of the important factors in talent creation and retention. Sir explains that with all of this advancing technology comes a greater need for professionals who can keep servers, systems, and software working. If you're one of the many people interested in this growing field, you might be wondering, "Which computer science career is right for me?" It's a big question because there's so much to choose from. Once you have an idea of which areas interest you most, you can prepare for that career with the best computer science degree that fits your needs.

## Report on “Internship Drive Program”

The objective of recruitment training is to enhance the skills and working capability of newly recruited candidates. Recruitment training is essential to involve the newly appointed employees in their current job positions. Training helps to familiarize new staff with the new work environment, work culture and company objectives. Training after recruitment is also helpful for new employees to understand rules and regulations of an organization.

The success of a training program depends largely on the recruitment trainers. It is essential for a recruitment trainer to possess sound knowledge regarding the mission of the organization. A trainer with good technical know-how can help the trainees understand their job quickly. In some cases, the newly recruited candidates are trained to use tools and technologies related to an organization. In such case, the trainer must be adept in not only using but also in instruction regarding the use of these. In addition, a trainer should have great communicating and management capabilities.

A perfect training program involves all strategies that an employee requires to perform the job well. Mistakes are quite natural for the beginners; but they can correct these through appropriate training. Training is a learning process through which a candidate identifies mistakes, corrects them and avoids that mistake thereafter. Pursuing a Degree in Computer Science such as, expertise in computing enables us to solve complex, challenging problems. Computer science is a really versatile degree. People who have computer science levels is found employed in the public plus the personal sectors. Computer Science is one of the fastest growing career fields in modern history. Career in Computer Science is considered one of the most high-paying jobs and this sector is broad in terms of employment and job opportunities. Computer Science students can get jobs in non IT companies as well in universities, research, private and public industries, government departments.

A Placement Drive program on “**Internship Drive Program**” was held on 08<sup>th</sup> December 2022 at 12 noon at Third Floor Main Building for MSc. I, MSc. II year. Various Students and Faculty members was present to attend the program.

The host for the program is Ms. Tanya Manjre of MSc II year. She welcome all the dignitaries. A heartily floral welcome of Guest Mr. Aashlesh Jagtap Sir and Mr.Rushikesh Kar Sir was done by our respected head of department Prof. Ather Iqbal Sir. After guest welcome introduction of guest is done Ms. Tanya Manjre later on the guest Mr. Aashlesh Jagtap Sir and Mr.Rushikesh Kar Sir was called to Start his session.

The lecture was delivered by Mr. Aashlesh Jagtap Sir and Mr.Rushikesh Kar Sir. The lecture enabled the students to acquire knowledge about recruitment training program, automation tools and understand the requirements for getting jobs in core sectors. He spoke about the importance of computer science in various fields. The speaker motivated the students to do internship in the MNC’s.

The guest speaker has experience in IT industry. During IT industry he worked with many reputed organizations and his vast knowledge and experience was reflected in his lecture. The speaker also shared her industry experiences about software engineering faced by his team and what measure they took to identify and remove that risk. The session was very interactive and students participated enthusiastically.

Learning and Development are an essential function of Human Resources, as it contributes towards the growing and nurturing of the employees of an organization. With the dynamic change in the domain of Human Resources over the years, it has clearly been evident that this aspect has evolved to be one of the important factors in talent creation and retention. Sir explains that with all of this advancing technology comes a greater need for professionals who can keep servers, systems, and software working. If you’re one of the many people interested in this growing field, you might be wondering, “Which computer science career is right for me?” It’s a big question because there’s so much to choose from. Once you have an idea of which areas interest you most, you can prepare for that career with the best computer science degree that fits your needs.

**Seminar On "Career in Animation Technology"**

<b>Name of Activity</b>	Seminar On Career in Animation Technology
<b>Date of Program Conducted</b>	3 <sup>rd</sup> December 2022
<b>Time</b>	11.30 AM to 1.00 PM
<b>Place</b>	AV Theatre, MBA Building, Vidya Bharati Mahavidyalaya, Amravati.
<b>Incharge</b>	Prof. V.N.Mohod
<b>Number of Participants</b>	Total-76

**Details of the Activity**

**Aim:**

The seminar was conducted for students to make them understand the importance of Animation Technology. The Seminar on "Career in Animation Technology" was planned and aimed to educate and aware about the Career Opportunity in the field of Animation.

**Objective:**

- To familiarize the students with various approaches, methods and techniques of Animation Technology.
- To make them aware about the importance of career options.
- To enhance the Knowledge of students to develop competencies and skills needed for becoming an effective Animator.
- To make the students aware about Animation technology.

**Report:**

The program started with the felicitation of the guests. The introduction of the event was given by Prof S.S.Soni. The HOD, Prof V. N. Mohod, teaching staff of BCA were also present. The students were present in large number.

The main aim was to make the students aware about Animation technology, also to make them aware about the importance of career options. The primary objectives of this seminar to enhance the Knowledge of student about the essential working in 3D, and how we use animation in our day to day life. The seminar was truly worthy and fruitful. Students and faculty members also experienced about the virtual reality environment using VR camera. It was very helpful seminar for all the students for their further education.

Total 71 students were present from BCA-I, BCA-II and BCA- III. Students were delighted to interact with speaker. They listened carefully and asked due questions to the guests. Overall the program was highly successful. The whole team of BCA Department was present during the event and took great efforts to make the event successful.

**NOTICE**

**Date – 20/2 /23**

All the students of Department of Management are hereby informed that the department has organised **One Day Lean Six Sigma White Belt certification workshop**. It is firmly believed that the skills and knowledge acquired through this certification will not only enhance the students' educational experience but also provide them with a competitive edge in the job market. According to a survey by iSixSigma, over 70% of companies are actively seeking candidates with Six Sigma knowledge and experience, and a Lean Six Sigma certification can increase an individual's earning potential by up to 30%. And the supply of such resources has always been below the industry demand for last decade.

The Workshop is scheduled on 23<sup>rd</sup> February 2023 from 11.00 am to 2 Noon. Intliri Lean Six Sigma Academy will provide Lean Six Sigma White Belt certificate to each student attending the workshop. The Workshop is compulsory for all students.

Teacher Coordinators- Prof. M.H.Monga

**Report:**

**Vidya Bharati Mahavidyalaya**  
**Department of Management**  
**Lean six Sigma White Belt workshop report**

On February 23, 2023, the Department of Management organised a one-day Lean Six Sigma white belt certification workshop. The workshop was attended by students of MBA, BBA, MHRD, and MCM in the AV Theatre of the MBA Department. The chief instructor of intliri, Sachin Naik sir, has interacted with students.

**White Belt Workshop Content**

1. Introduction, ice breaker and need for job relevant skillsets/ expertise
2. Introduction to Lean Six Sigma
  - a. What is a process, how organisations make profits, how LSS helps drive top and bottom line growth
  - b. Cost of poor quality
3. Lean Philosophy, definition of value addition
4. The 3 most wanted (Mura – Unevenness, Muri – Overburden, Muda – Waste)
5. 8 types of wastes with examples
6. Toyota's Lean house of quality
7. What is Six Sigma
8. Importance of measures of central tendency and measures of variation
9. Process capability and normal distribution
10. Dependency function -  $Y = f(X)$
11. Lean Vs Six Sigma, Lean + Six Sigma
12. Overview of DMAIC methodology of LSS projects and key deliverables in each stage
13. Walkthrough of LSS tools
14. LSS Certification levels and roles, applicability and future outlook
15. Black Belt certification process

At the workshop, he first gave us an introduction to all the skills and expertise needed for a job. Following that, he introduced us to lean six sigma and what is involved in the process, as well as the cost of poor quality, the lean philosophy, the definition of value addition, and the three most desired (i.e., Muda—unevenness, Muri—overburden, Muda—waste). Then he explained Six Sigma, the significance of measures of central tendency and measure of variations, process capability, and normal distribution. Depth and overview of DMAIC, the methodology of the LSS project, and a walkthrough of LSS tools. He also gave us knowledge about the LSS certification levels, their rules, and their future outlook, and at last he told us about the process of black belt certification.

This workshop was an interesting one that gave us knowledge about the expertise and skills that are needed. It is also helpful to establish a business and explore your skills. We are grateful to the teachers for organising such a knowledgeable workshop.

**CV of resource person:**

**SACHIN NAIK**  
IIM - Lucknow | Certified Lean Six Sigma Master Black Belt | Certified LSS Trainer | Master Coach

A prominent LSS practitioner, business coach and strategy consultant, Sachin is universally respected as one of the most insightful, humble, influential and recommended process consultant and LSS trainer. He is one of the well-known names in the industry for Lean Six Sigma expertise and training delivery.

His 14+ years of experience has enabled organizations across industries, including Fortune 500 companies, to improve operations efficiency and drive critical business outcomes. He has successfully completed upwards of 20 BB/MBB projects, mentored 100+ Black Belts and 500+ Green belts, driving exponential value for his clients. He has trained more than 2500 mid and senior executives on lean six sigma, project management, business process re-engineering, strategic leadership, design thinking and change management.

He is known for using his diverse life experiences to deliver seemingly complex concepts in easy to understand, simplified stories. His storytelling ability and humour keeps participants glued to their seats and his focus on applicability at work ensure tangible returns.

**Report:**

**Vidyabharati Mahavidyalaya**  
**Department of Management Studies**  
**Report on Workshop on Ms- Excel**

Vidya Bharati Mahavidyalaya, Department of Management Studies in collaboration with Department of Master of Computer Management, VBMV had organised a 5 days Workshop on Ms- Excel. Microsoft Excel is an extremely important tool, and it finds a role in almost all fields of work these days. To sum up, the broad benefits of learning Excel for students include faster and more accurate decision making, quick calculations, seamless data visualization, and a lot more. Excel will be highly useful for students as well. This expertise will help them in their higher studies, research and project preparation. They make use of the application to generate graphs and charts; also Excel can be used to generate a comparative analysis of various data related to projects and cases. The various topics covered for the Workshop are summarised as under-

<b>Date</b>	<b>Time</b>	<b>Name of Faculty</b>	<b>Contents</b>
16/01/2023	10:00 am to 11:00 am	Mrs. A.R. Shanke	Introduction, Entering, Editing and Formatting Data.
17/01/2023	10:00 am to 11:00 am	Mrs. A.R. Shanke	Formatting Numbers, Managing Worksheets.
18/01/2023	10:00 am to 11:00 am	Ms. S.A. Kazi	Modifying Rows and Columns, Understanding Formulas.
19/01/2023	10:00 am to 11:00 am	Mrs. R.N. Yeotikar	Introduction to Charts, Formatting Cells.
20/01/2023	10:00 am to 11:00 am	Mrs. R.N. Yeotikar	Insert Pictures, Insert Shapes, Sort Data, Filter Data, Protecting Data.

The Workshop was successfully ended on 20<sup>th</sup> Jan 2023. Students learned the basic Ms-Excel Skills which will surely help them in all their future educational and learning projects. For better sharing, connectivity, employability and networking skills of students using Ms-Excel as it is must in today's management students.

Date- 21<sup>st</sup> Jan 2023

**Guest Lecture on**  
**“Recruitment Training Program”**

The objective of recruitment training is to enhance the skills and working capability of newly recruited candidates. Recruitment training is essential to involve the newly appointed employees in their current job positions. Training helps to familiarize new staff with the new work environment, work culture and company objectives. Training after recruitment is also helpful for new employees to understand rules and regulations of an organization.

The success of a training program depends largely on the recruitment trainers. It is essential for a recruitment trainer to possess sound knowledge regarding the mission of the organization. A trainer with good technical know-how can help the trainees understand their job quickly. In some cases, the newly recruited candidates are trained to use tools and technologies related to an organization. In such case, the trainer must be adept in not only using but also in instruction regarding the use of these. In addition, a trainer should have great communicating and management capabilities.

A perfect training program involves all strategies that an employee requires to perform the job well. Mistakes are quite natural for the beginners; but they can correct these through appropriate training. Training is a learning process through which a candidate identifies mistakes, corrects them and avoids that mistakes thereafter. Pursuing a Degree in Computer Science such as, expertise in computing enables us to solve complex, challenging problems. Computer science is a really versatile degree. People who have computer science levels is found employed in the public plus the personal sectors. Computer Science is one of the fastest growing career fields in modern history. Career in Computer Science is considered one of the most high-paying jobs and this sector is broad in terms of employment and job opportunities. Computer Science students can get jobs in non IT companies as well in universities, research, private and public industries, government

departments.

A Guest Lecture on “**Recruitment Training Program**”

was held on 07<sup>th</sup> Sep 2022 at 12 noon in AV Theatre, Third Floor Main Building for MSc. I, MSc. II year, and B.Sc. Final year students. Various Students and Faculty members was present to attend the lecture.

The host for the program is Mr. Noman Ali of BSc III year . He welcome all the dignitaries. A heartily floral welcome of Guest Mr. Nakul Deshmukh Sir was done by our respected head of department Prof. Ather Iqbal Sir. After guest welcome introduction of guest is done Mr. Noman Ali . Later on the guest speaker Mr. Nakul Deshmukh was called to Start his session.

The lecture was delivered by **Mr. Nakul Deshmukh Director, iBase Technology Solutions, Amravati**. The lecture enabled the students to acquire knowledge about recruitment training program, automation tools and understand the requirements for getting jobs in core sectors. He spoke about the importance of computer science in various fields. The speaker motivated the students to do internship in the MNC's.

The guest speaker has more than 16 years of rich experience in IT industry. During his 16 years in IT industry he worked with many reputed organizations and his vast knowledge and experience was reflected in his lecture. The speaker also shared her industry experiences about software engineering faced by his team and what measure they took to identify and remove that risk. The session was very interactive and students participated enthusiastically.

Learning and Development are an essential function of Human Resources, as it contributes towards the growing and nurturing of the employees of an organization. With the dynamic change in the domain of Human Resources over the years, it has clearly been evident that this aspect has evolved to be one of the important factors in talent creation and retention. Sir explains that with all of this advancing technology comes a greater need for professionals who can keep servers, systems, and software working. If you're one of the many people interested in this growing field, you might be wondering, “Which computer science career is right for me?” It's a big question because there's so much to choose from. Once you have an idea of which areas interest you most, you can prepare for that career with the best computer science degree that fits your needs.
