2.	<p>Detailed Report (Up to 1000 words)</p> <p>A green energy awareness program was concluded on February 11, 2023 at 11 a.m. organized by the Enviro Club at Vidya Bharati College Camp Amravati. The keynote speaker of the event was Mr. Srikanth Tikhile, Director of ECE Amravati Green Energy. After convincing the students about the relevant information and the importance of green energy in daily life, he told people about the use of solar energy. It is called non-conventional energy as it does not invest in transactions. Nevertheless, solar energy is a valuable source of renewable energy. To get solar energy Photovoltaic systems, centralized solar power and solar water heaters are used. Solar energy projects are expensive in terms of capital investment but last longer and have lower maintenance costs. Green energy plays a key role in the energy transition due to its low environmental impact. It offers an alternative to non-renewable energy and helps fight global warming by not producing greenhouse gases or increasing carbon emissions. On this occasion, the principal of Vidya Bharati college Dr. P. S. Yenkar, Junior College Vice Principal Shri. H.</p>		

K. Sisodia, IQAC Co-Ordinator Dr. P. G. Bansod, all the heads of Departments and teachers, non-teaching staff as well as students were present. The program was moderated by Dr. S. H. Rathod and Dr. A. P. Khedkar. Students showed enthusiastic response in this program.

Vidya Bharati Mahavidyalaya, Amravati

Pratibha Women's Studies Centre

Organized an "Mammography & Pap smear Test Camp"

9th March 2023

A Report

Aside from skin cancer, breast cancer is the most common. In India, cancer of the breast accounts for about 14%. While breast cancer treatment therapies continue to improve and have contributed to reduction in cancer related deaths, early diagnosis through screening mammograms have a greater overall impact on survival rates. Many of the women are suffering from cancer. It is due to late diagnosis of the disease and many of them loose lives.

Pratibha Women's Studies centre, Vidya Bharati Mahavidyalaya, Amravati organized a Mammography and Pap smear test camp in collaboration with Rotary Midtown Mammography Ambulance on 21st March, 2023. This camp was organized with the objective to provide Mammography and Papsmeat tests free for ladies of age group 35 to 60 years.

The camp was organized in front of MBA building in Mammography Ambulance. The camp was inaugurated at 10:30 pm by the wise president of Vidya Bharati Shaikshanik Mandal Hon'ble Dr. Mithilesh rathore by cutting a ribbon. Hon'ble Principal Dr. P.S. Yenkar falicitated the members of rotary club, Amravati. President of Rotary Club, Amravati Mr. Anand Sathe was present on the occasion. They guided women for doing tests regularly and taking of themselves.

The team of Rotary Mammography Ambulance started doing tests. They firstly asked history of the ladies and done their screening. After that if needed they done their Mammography and Pap smear tests. About 60 ladies done screening, 48 ladies done their mammography test and 55 done Pap smear test. All the ladies were happy that they got chance to do test in such camp. The reports of the tests were collected after 20 days of the camp.
