REPORT OF THE ACTIVITY
INTERNATIONAL YOGA DAY 2023-24

Under the Aegis of GEMS Department of Physical Education in collaboration with N.C.C and N.S.S celebrated International Yoga Day with great enthusiasm and fervor on June 21, 2023. The event aimed to raise awareness about the benefits of yoga and promote its practice among students, faculty, and staff. The celebration witnessed active participation from a diverse group of individuals who came together to embrace the holistic approach to health and well-being.

The event commenced with a yoga demonstration by the Resource Person of the program Dr. M. M. Rathore with Principal Dr. P. S. Yenkar. They showcased a range of asana, pranayama techniques, and meditation practices, highlighting the diversity and versatility of yoga. In this session, attendees were introduced to the basics of yoga, including postures, breathing exercises, and relaxation techniques. It aimed to make yoga accessible to all and encourage more people to adopt it as part of their daily routine. Principal Dr. P. S. Yenkar, well-versed in the ancient traditions and philosophies of yoga, delivered a talk on the significance of yoga in modern-day life. The speaker emphasized how yoga offers a holistic approach to maintaining physical, mental, and emotional well-being. Recognizing the increasing stress and challenges faced by students and staff, a session specifically focused on using yoga as a tool for stress management was conducted. Attendees learned various techniques to cope with stress and anxiety through yoga and mindfulness practices. A guided mindfulness meditation session was conducted, where participants were encouraged to focus on the present moment and cultivate inner peace. The meditation aimed to enhance mental clarity and promote emotional well-being.

The International Yoga Day celebration was a resounding success, serving as a platform to promote yoga as an essential aspect of a healthy lifestyle. The event encouraged participants to embrace yoga's philosophy and practices, fostering a sense of well-being, unity and mindfulness within the college community. The celebration also strengthened the college's commitment to promoting wellness and self-care among its students, faculty, and staff. The overwhelming positive response from participants has inspired the college to continue organizing similar events and incorporating yoga into its regular curriculum, nurturing a culture of holistic well-being for years to come.

REPORT OF THE ACTIVITY INTERNATIONAL YOGA DAY 2023-24

Under the Aegis of GEMS Department of Physical Education in collaboration with N.C.C and N.S.S celebrated International Yoga Day with great enthusiasm and fervor on June 21, 2023. The event aimed to raise awareness about the benefits of yoga and promote its practice among students, faculty, and staff. The celebration witnessed active participation from a diverse group of individuals who came together to embrace the holistic approach to health and well-being.

The event commenced with a yoga demonstration by the Resource Person of the program Dr. M. M. Rathore with Principal Dr. P. S. Yenkar. They showcased a range of asana, pranayama techniques, and meditation practices, highlighting the diversity and versatility of yoga. In this session, attendees were introduced to the basics of yoga, including postures, breathing exercises, and relaxation techniques. It aimed to make yoga accessible to all and encourage more people to adopt it as part of their daily routine. Principal Dr. P. S. Yenkar, well-versed in the ancient traditions and philosophies of yoga, delivered a talk on the significance of yoga in modern-day life. The speaker emphasized how yoga offers a holistic approach to maintaining physical, mental, and emotional well-being. Recognizing the increasing stress and challenges faced by students and staff, a session specifically focused on using yoga as a tool for stress management was conducted. Attendees learned various techniques to cope with stress and anxiety through yoga and mindfulness practices. A guided mindfulness meditation session was conducted, where participants were encouraged to focus on the present moment and cultivate inner peace. The meditation aimed to enhance mental clarity and promote emotional well-being.

The International Yoga Day celebration was a resounding success, serving as a platform to promote yoga as an essential aspect of a healthy lifestyle. The event encouraged participants to embrace yoga's philosophy and practices, fostering a sense of well-being, unity and mindfulness within the college community. The celebration also strengthened the college's commitment to promoting wellness and self-care among its students, faculty, and staff. The overwhelming positive response from participants has inspired the college to continue organizing similar events and incorporating yoga into its regular curriculum, nurturing a culture of holistic well-being for years to come.
