**Various activities showing decentralization  
and participative management**

# Leadership visible through Institutional practices

## Public Lecture on Shivaji the Great: Speaker Dr. Shivratna Shette (on Shivjayanti)

The institution organized a public lecture of Dr. Shivratna Shette, a famous speaker from Solapur. He delivered his lecture before the public of Amravati on the occasion of birth anniversary of Shivaji the Great Maratha Emperor. The faculty and non-teaching staff of the college got involved in the organization of this mega event in the campus. Around ten thousand people took part in the event. It shows participative management of the institution. The event took place on 19/02/2019. Mr. R. D. Shekhawat, the president of the education society was present during the event.

Josh: The Annual Social Gathering, a mega event organized by the student leaders with teaching and non-teaching staff of the college. The organization of the gathering is the best example of decentralization of power and participation of all for its grand success.

Our leadership is involved with the students and staff: Mr. R. D. Shekhawat, the president and student leaders at a moment of annual gathering

The theme of the gathering was **unity in diversity**. The students performing a group dance.

Date: 29/01/2019

The Dhol Pathak: A Maharashtrian performance

Mr. R. D. Shekhawat, the President of the society inaugurating the annual social gathering: JOSH

## Trade Fair: Saga of the success

Trade Fair, the Mega Event organized to enhance entrepreneurial skills of the students. The teaching and non-teaching staff with the active involvement of the governing body organized the event every year.

The inaugural function of the Trade Fair at the august hands of Mr. R. D. Shekhawat and Mrs. Manjiri Shekhawat

The huge gathering of the students at the Trade Fair

The student entrepreneurs at their stall in the Trade Fair

## Organization of Sports Carnival: The result of the participation of the staff

The staff members with the winners of the event

The President, the Principal and the staff observing the pitch before the match begins

The winning team with the trophy

With the support of management and involvement of the management the staff could organize various academic events successfully. These events are the best examples of participative management.

## Vidya Bharati Mahavidyalaya, AMRAVATI

Re-accredited with Grade 'A' by the NAAC (CGPA 3.26-Second Cycle College with Potential for Excellence (CPE Status Thrice by the UGC) Star College Status by DBT, New Delhi Identified as 'Lead College' by S. G. B. Amravati University, Amravati

### National Seminar on Revised Accreditation Framework and Institutional Preparation: An Overview

Date: 9<sup>th</sup> March, 2019

Organized By  
Internal Quality Assurance Cell  
Vidya Bharati Mahavidyalaya, Camp, Amravati,  
C. K. Naidu Road, Camp, Amravati- 444602,  
Maharashtra.

### About Vidya Bharati Education Society:

Vidya Bharati Shaikshanik Mandal, Amravati was established in 1969 with Dr. Devisinghji Shekhawat's vision who became the founder President of the society at its inception. He has been the former MLA, the First Mayor of AMC, Amravati and also the First Principal of Vidya Bharati Mahavidyalaya. Her Excellency, Smt. Pratibhatai Devisinghji Patil, the Former President of India was once the President of the Educational Society. The Society runs 21 educational institutions including colleges and schools in the State of Maharashtra, under the dynamic leadership of Shri. Raosaheb Shekhawat, the president of the society. Vidya Bharati Mahavidyalaya is the flagship institution among them. The Society was honoured with the State Government Award in 2001 in appreciation of its exemplary contributions in the field of education and social service.

### About the College:

Vidya Bharati Mahavidyalaya, Amravati, established in 1972, is the premier institution in the Vidarbha region of Eastern Maharashtra, India. It is a multi-faculty educational centre located in the elite residential area of Camp, Amravati. The institution, affiliated to Sant Gadge Baba Amravati University, Amravati, has been accredited with Grade A by the NAAC, Bengaluru with CGPA(3.26), and College with Potential for Excellence(CPE) Status Thrice by the University Grants Commission, New Delhi. The academic spectrum provided by the college spans from Junior College and Undergraduate programmes in the faculties of Humanities, Science and Technology, Commerce and Management and Interdisciplinary and Postgraduate programmes and Research Programmes almost in all the faculties. The institution has state-of-the-art infrastructure, quality staff and every possible support facility and conducive atmosphere for attaining excellence in academics.

### About the Seminar:

The present event is aimed to have thorough discussion on new Assessment and Accreditation framework. This will be useful to clarify doubts and enable participants to execute innovative ideas as far as teaching, learning and evaluation are concerned. The participants will get deep understanding of all the criteria, role and use of ICT techniques in new Assessment and Accreditation. Sharing of views and ideas will help the Higher Education institution to plan more student centric activities for improving the quality of higher education and thereby attaining quality in the academics. The event will provide platform to the stakeholders from diverse geographic and demographic regions to clarify doubts and share the difficulties faced by them while preparing the Self Study Report and implementing new techniques based on information and communication technology.

The seminar has been organized to make the stakeholders realise their responsibilities regarding improvement of quality in higher education in the light of revised framework of assessment and accreditation initiated by the NAAC. The academic peers are expected to sensitize the target group- the challenges ahead but at the same time convey the opportunities available to bring transparency, effective deployment of institutional strategies and shift on technology based teaching learning and evaluation at the institutional level so that quality culture can be attained and sustained as well.

### Sub-Themes:

- Documentation: a Herculean Task
- Certificate/Value Added/Add on/Diploma Courses: A Boost to Programmes
- Revised Accreditation Framework: Challenges and Opportunities.
- Liabilities of IQAC before and after Assessment and Accreditation.
- Qualitative and Quantitative metrics in new Assessment and Accreditation Process.
- Use of ICT in Teaching Learning & Evaluation
- Student Satisfaction Survey: A Challenge
- IQAC and Deployment of Institutional Strategies
- Feedback Mechanism
- Innovative and Best Practices
- Students Progression: From Entry to Exit
- Academic Administrative Audit: Internal and External
- Quality Research and Publications
- Extension Activities & Social Responsibilities
- Library Resources and Support facilities
- Technology and Governance
- Alumni Association and its Activities

### ► Vidya Bharati Shaikshnik Mandal, Amravati :

The Educational Society was established in 1969 with Dr. Devisingji Shekhawat (Spouse of Her Excellency, Smt. Pratibhai Devisingji Patil, First Lady President of India) as the Founder President. He has been the former MLA, the first Mayor of Amravati and also the first Principal of Vidya Bharati Mahavidyalaya. Her Excellency, Smt. Pratibhai Devisingji Patil, the Former President of India was once the President of the Educational Society. Mr. R. D. Shekhawat, former MLA is now the President of the Society. The Society runs 21 educational institutions including colleges and schools in the state of Maharashtra. Vidya Bharati Mahavidyalaya is the flagship institution among them. The Society was honoured with the State Government Award in 2001, in appreciation of exemplary contributions in the field of education and social service.

### ► Vidya Bharati Mahavidyalaya:

Vidya Bharati Mahavidyalaya, Amravati, established in 1972, is a premier institution in the Vidarbha region of Eastern Maharashtra, India. It is a multifaculty educational centre located in the elite residential area of Camp, Amravati. The institution, affiliated to Sant Gadge Baba Amravati University, Amravati, has been Accredited with 'A' Grade by NAAC with CGPA (3.26), Bangalore and with College with Potential for Excellence (CPE) Status by the University Grants Commission, New Delhi twice. The academic spectrum provided by the college spans from Junior College (XI & XII) and undergraduate programmes in Art's, Commerce, Science, Management, Library Science and Cosmetic Technology and PG and Doctoral Research Programmes in most of the Departments. The institute has excellent infrastructure, quality staff and every facility conducive for generating the best academic ambience.

### ► Pratibha Women's Studies Centre:

The centre was established in July 2009. It has well qualified and experienced faculty from various departments. Keeping in view the objective of empowerment of women, the

Centre has been organizing Guest lectures on Yoga camp, Street plays on 'Female Foeticide', 'Gender Equality shows' by Gender Champion Group and 'Workshops to bring awareness among women.'. It also conducted Environment Awareness programmes, students visits to the slum areas of Amravati city to have a first-hand knowledge of health and hygiene problems. Guest lectures on issues such as "Balanced Diet", "Marriage as an Ideal Relationship", 'Reproductive organs in Human and its functioning', 'Concept of Gender Equality', 'Say No to Sexual Harassment', 'HIV/AIDS: Information, reasons and control measures' were organized. Considering the importance of self defence among girls demonstrations of Martial Arts. Training in self defence is provided to the girls students to strengthen their mental and physical abilities. Medical Check-up Camps, Rubella Vaccination camps, Dental Check-up camps, Yoga training camps, ECG, Blood Pressure and Sugar Level measurement camp, Naturopathy camp and Haemoglobin check up camp for tribal women of Melghat region, Salona Dist. Amravati are the regular features of the centre. In order to discuss the transforming World of Women on social, economical, political and professional fronts a One Day National Conference on "Feminism in Contemporary India" was held in 2012. In the current session, the Centre organized Guest lectures on different topics related to Women and students.

### ► About the Conference:

A hundred years ago, Emmeline Pankhurst fought for the woman's freedom of speech and for her right to vote. She believed that a woman is not a "household machine". Catchphrases like 'Gender Equality', 'Equal Rights', 'Women's Empowerment', and many other such, have been around for half a century or more. Yet sexual harassment at home, workplace and in the fields of Entertainment and Sports, inequality in pay for the same work, gender discrimination even within the family, continue to haunt women. The nation appears to be dragging its feet regarding the Bill against Triple Talaq, rapes, assaults upon women, female foeticide and countless instances of social injustice

from the staple coverage of everyday news. In such times, it would do well to remember the words of the former Secretary General of the United Nations, Ban Ki-moon, "Achieving gender equality requires the engagement of women and men, girl and boys. It is everyone's responsibility". This is the central idea that forms the crux of this Conference.

All human beings regardless of gender are equal capable of making their own decision. Each should therefore have equal rights to be born, to live life properly, to gain education, to experience equality at the workplace and be equally respected in every environment. Women are not objects; they are not anybody's property; nor are they slaves, second-class citizens, unpaid cooks or servants of families. They are not toys for prostitution or mere vessels to have babies. Women are capable of working in different professions as equals to men and so they should have equal rights to respect and to equal remuneration. They should not have to submit to mental or physical indignity at any stage of life. It is not enough to empower women through education. They should be provided with opportunities to work so that they can realize their potential and gain respect through their achievements. It is high time the image of a woman as a mother at home, capable of maternal love and care, metamorphoses into that of a Superwoman who can handle work at home and at the workplace, with equal ease. This Conference aims to propound these very ideas in the following sub-themes.

### ► Sub-themes:

- 1) Roots of Gender Inequality and their Expression in Society Today.
- 2) Gender Disparity in Education and Work Place: Present status and Future Goals.
- 3) The Role of Gender Equality in Upbringing of Children.
- 4) Gender Inequality in Politics.
- 5) Gender Inequality at work place.
- 6) Gender Inequality in Family.
- 7) Gender Inequality in Education?
- 8) Discrimination against Disabilities (ableism)

### ■ Vidya Bharati Shaikshanik Mandal, Amravati

The Educational Society was established in 1969 with Dr. Devisinghji Shekhawat as the Founder President. He has been the former MLA, the first Mayor of Amravati and also the first Principal of Vidya Bharati Mahavidyalaya. Her Excellency, Smt. Pratibhatai Devisinghji Patil, the Former President of India was once the President of the Educational Society. Mr. R. D. Shekhawat, former MLA is now the President of the Society. The Society runs 22 educational institutions including colleges and schools in the state of Maharashtra. Vidya Bharati Mahavidyalaya is the flagship institution among them. The Society was honoured with the State Government Award in 2001 in appreciation of exemplary contributions in the field of education and social service.

### ■ Vidya Bharati Mahavidyalaya:

Vidya Bharati Mahavidyalaya, Amravati, established in 1972, is a premier institution in the Vidarbha region of Eastern Maharashtra, India. It is a multifaculty educational centre located in the elite residential area of Camp, Amravati. The institution, affiliated to Sant Gadge Baba Amravati University, Amravati, has been Accredited with 'A' Grade by NAAC with CGPA (3.26), Bangalore and with College with Potential for Excellence (CPE) Status by the University Grants Commission, New Delhi thrice. The academic spectrum provided by the college spans from Junior College (XI & XII) and undergraduate programmes in Arts, Commerce, Science, Management, Library Science and Cosmetic Technology and PG and Doctoral Research Programmes in most of the faculties. The institute has excellent infrastructure, quality staff and every facility conducive for generating the best academic ambience.

### ■ About Workshop:

As the world moves from an economy based on industry to one based on information, the protecting ideas becomes increasingly important. This follows from the fact that ideas, when captured and passed on as information, can be transferred from one place to another much more easily and quickly than physical objects. It also follows from the fact that the economic value of information is greatest when it relates to an idea, rather than a fact about a physical object. Because information about ideas is so valuable and so easy to obtain and use, protecting ideas becomes a paramount concern.

A Patent represents one branch of a legal field known as Intellectual Property Rights. Intellectual property management encompasses creation, protection & exploitation of Intellectual Property Rights. A Patent is a legal document granted by the government giving an inventor the exclusive right to make, use and sale an invention for a specified period of time. Thus legally protecting discoveries and inventions through patents provides an incentive for researchers and businesses to undertake scientific inquiry in the hopes of a financial benefit in return.

### The workshop aimed

- To create awareness about intellectual property rights (IPR) specially the patents.
- To provide basic understanding about patents.
- To encourage the inventors to invest their creative minds, knowing that their inventions would be protected by law.
- To provide necessary guidance and training about various procedures of patent search and application filing.

Dated: 23<sup>rd</sup> September 2016

I am happy to learn that Vidya Bharati Mahavidyalaya, Amravati is organizing a two day National Level Seminar on "Attaining Excellence in Higher Education: Problems, Paradoxes and Possibilities" on 14<sup>th</sup> and 15<sup>th</sup> October, 2016.

The current challenge of our Nation is to improve the quality of our education at all levels and also to enhance its reach so that it becomes more inclusive. Our Institutions of higher learning can make invaluable contribution to the all round development of our educational system. Rapid expansion of technology and skills has also enabled them to focus more on expansion, inclusion and quality so that the benefits of education percolate down to people at all strata. Higher education should not only promote excellence and innovation, but also be an agent of change. I am confident that deliberations at the Seminar will throw new light on the growth, expansion and modernization of higher education in keeping with the changing scenario.

In addition, I extend my warm greetings and felicitations to the organisers and participants and wish the Seminar every success.

*Pratibha P. Devisingh*

राबविण्यासाठी इच्छा शक्तीची आवश्यकता असते. ती निर्माण करून समाजाशी समरसता धारण करणारी उच्च शिक्षणव्यवस्था निर्माण करता येईल कां ? याचा गंभीरपणे विचार शिक्षणतज्ज्ञांनी, शासनकर्त्यांनी केला पाहिजे. केवळ विद्यापीठांना समाजसुधारकांचे, महापुरुषांचे, संतांचे प्रेरकांचे नावे देऊन त्यांचे विचार शिक्षणात रुजू शकत नसतात हेही या निमित्ताने लक्षात घ्यावे लागले. तर ज्या समाजसुधारकांचे, महापुरुषांचे नाव ज्या विद्यापीठाला देण्यात आले आहे त्यांच्या विचारांशी समरसता आणणारे शिक्षण, अभ्यासक्रम उच्च शिक्षणातून अनिवार्यपणे राबविण्याची धोरणे तयार करावे लागतील. इथे उच्च शिक्षणातून नोकरदार निर्माण करण्याऐवजी समाजाशी समरस होणारा, सुज्ञ बुद्धीवान नागरिक, सुजाण नागरिक निर्माण करण्यात आम्ही यश मिळवू शकलो तरी उच्च शिक्षणातून स्वपंरोजगार निर्मितीची प्रक्रिया सुरु होईल. उच्च शिक्षणाने केवळ अधिकारी, कारकून निर्माण व्हावे या अपेक्षेने महाविद्यालये आणि विद्यापीठे निर्माण करण्याचा उद्देश नसून आपल्या भागातील समस्यांचा शोध संशोधनातून करून त्या समाजाला विकासाकडे नेण्यासाठी उत्तम प्रकारच्या उपाययोजना देण्याइतपत ज्ञान उच्च शिक्षणातून देता आले तर खऱ्या अर्थाने उच्च शिक्षणाची उपयोगिता सिद्ध होवू शकेल. अन्यथा पुस्तकी व कालबाह्य, पढीत शिक्षणाने मात्र या भागात तरूण कागदांच्या पदव्या घेईल. कदाचित समाजसुधारक आणि महापुरुषांचे नाव कोरलेली ती पदवी असेल परंतु त्याची मानसिकता ही भविष्याकडेच व्यवहारवादाने बघण्याची झाली असेल तर कागदावरच्या उच्च शिक्षणाच्या पदवीचे मोल हे कागदाइतकेच ठिसूळ असेल हे लक्षात घ्यावे लागेल.

It is a pleasure to know that Vidya Bharati Mahavidyalaya, Amravati is organising a National Seminar on 'Revised Accreditation Framework and its Preparation: An Overview' on 9<sup>th</sup> March, 2019 and are publishing a souvenir on the occasion.

Accreditation is a process of validation in which colleges, universities and other institutions of higher learning are evaluated. For a student, accreditation of the education institution he intends to join is a very important factor in realizing successful career standards. He evaluates the overall mission of the college, objectives and goals, services available to students, quality of education, preparation of Faculty etc. Moreover Colleges that have gone through the accreditation process are most likely to offer degrees that employers and recruiters recognise.

Employers want to know that you have a quality education and that you will have something to bring to the table when you join their team. For this purpose, accreditation enables companies to filter those individuals who have obtained a degree from an accredited institution from those who have not. The accreditation process also offers students a better chance of having their credits transferred to other reputable institutions should they decide to obtain a graduate or doctoral level education.

Starting as a Science College in 1982, Vidya Bharati Mahavidyalaya, Amravati has today developed into a multi-faculty Post Graduate Institution, highly acclaimed by the educational community of the Vidharbha region. The College has been awarded the title of Institute with Potential for Excellence three times. We are sure this National Seminar will throw a new light on the growth, development and modernisation of education keeping with the needs of the current scenario.

On this occasion, I would like to warm greetings and felicitations to the organisers and participants and wish them every success.

Website :-www.vbm.ac.in

### Conclusion:-

The Internal Quality Assurance Cell of an institution has been assigned with important and many more responsibilities of creating an enabling academic environment and policy structure for effective functioning of the institutions. The administration and the management should provide optimum infrastructure and efficient system of governance. Teachers are the real pillars of any academic institution and they should have support to execute novel and innovative ideas. Its main role is to develop best academic practices for the learners through experiences. Students are the soul of any institution for whom the whole system is designed. Therefore they should aspire for the best, qualitative and everlasting, enable them to become an able student to cope with the harsh and dire realities of life. These best practices may help them to acquire skills, make them learn to work as a team which generally lacked in our university curricula.
