Copy of resolution No. passed in
The Meeting of College Development Committee held on 12, July, 2022

Item No 03: Discussion on students Feedback-2022-23 and Student Satisfaction Survey-
2022-23.

Resolution No. 3. Dr. P.G. Bansod provided a summary of feedback received from the Stakeholders and the Student Satisfaction Survey (SSS). This discussion encompassed feedback mechanisms, concerns raised by all the stakeholders, and any proposed improvements to support services. The committee engaged in a constructive conversation and provided suggestions for enhancing student support. A follow-up action was assigned to investigate the feasibility of certain enhancements.

Feedback-2022-23

Action Taken Report- 2022-23

Feedback	Action Taken	Impact
Strengthening of extracurricular activities.	Formal instructions were circulated to all departments through competent authority for addressing the suggestions to organize more extracurricular activities	The clear directive from competent authority has encouraged departments to actively consider and implement suggestions related to organizing extracurricular activities.
Career Guidance and counselling should be improved.	Formal instruction was circulated to Career and Counselling Committee through competent authority for addressing the suggestion.	This has led to a heightened awareness among committee members regarding the need to prioritize initiatives that support students' career goals and aspirations.
Students needed on more industry visits based on the courses	Formal instructions were circulated to all departments through competent authority for addressing the suggestions to organize more industry visits based on the courses	The directive to organize more industry visits has provided students with enhanced opportunities for practical learning and real-world exposure.
Suggestions to organize workshops and seminars focused on leadership development.	Formal instructions were circulated to all departments through competent authority for addressing the suggestions to organize workshops and seminars for students on Soft Skills Development.	The emphasis on soft skills development fosters a culture of professionalism among students, helping them to develop the interpersonal and professional skills needed to thrive in diverse work environments.
